begin your journey toward a magnificent inspiring life **Life to the Fullest** Darrin Donnelly, 2017-12-08 Don't pick a career for money or some other reason. Do what you love because it will never feel like work. Bill Belichick. It is imperative that we all make every effort to do what we love. My job is definitely a challenge but I like what I do so much that it rarely seems like work to me. Nick Saban. Dreams become realities when you love what you're doing. Derek Jeter. Never let the odds keep you from pursuing what you know in your heart you were meant to do. Satchel Paige. This is a book that answers two of life's most important questions: how do you find your purpose in life and is it safe to follow that purpose once you find it. The world's happiest and most successful people tell us it's ESSENTIAL that we find our true purpose in life. But how exactly do you find your purpose? And once you find it, how can you be sure that it's safe to follow that path in life? This book answers those two life-changing questions. Written as an inspirational fable in the style of previous Sports for the Soul books, *Life to the Fullest* reveals a powerful five-step process for finding your purpose while also dealing with the questions we all have about whether it's safe to follow the dreams in our hearts. In a story that pays homage to the holiday classics *It's a Wonderful Life* and *A Christmas Carol*, John Callahan is a man who has spent his life listening to his heart and following his passion as a high school football coach just like his legendary father. But his dream life is suddenly being crushed. Just days before the state championship game, John receives news that his beloved school is declaring bankruptcy and will be shutting down at the end of the year. Everything John has worked his whole life for—his team, his community, his pension—is being taken away from him. John now finds himself angry at his long-deceased father for advising him to follow his heart and he's angry at himself for not taking better opportunities when they came along. When all hope seems lost, John receives a miraculous visit from his father on the eve of his team's final game. John is given the opportunity to revisit past moments in his life and to see how things would've turned out differently if he had chosen more practical opportunities. This is a story about fathers and sons. It's a story about faith, family, and community. Most of all, it's a story about having the courage to follow your heart and live your true purpose. As this story plays out, you will find the answers to two of life's most important questions: How do I find my life's purpose and is it safe to follow that purpose once I find it.
