Duck Light Gillian A. Corsiatto,2021-09-23 What if an animal could resemble a human sometimes even more than a real human Duck Light is the story of Lulu and Rosie two ducks in love And quite frankly they are bored with life as ducks The pair are recently engaged and live their lives together in a way similar to what they observe in humans cooking from a cookbook watching television sleeping in a bed smoking vaping drinking swearing you get the idea Each chapter is a complete short story with the stories linked by the pair s relationship their impending migration and their pesky next door neighbours the scary and mean man on the right and to the left Margaret the crazed squirrel The book opens with Lulu in the bathtub savouring a cigarette to the sounds of Offenbach As the chapters progress winter is on its way so all the ducks including Lulu and Rosie will have to fly south for the cold season Down South is their eventual winter destination and also the setting for the couple s upcoming nuptials The book ends with the zany pair being wed in a virtually perfect beach ceremony attended by their migratory pals It seems as though Lulu and Rosie are basically humans and not ducks at all Does their near human lifestyle exist only in their imaginations or are they truly as sophisticated as they believe Through the two feathered protagonists endowed with human characteristics such as Lulu s tendency to be a people pleaser and Rosie s mean streak this humorous work contemplates a serious question How can one break free of societal expectations *Haul Away!* Rob Duncan,2005-03-15 On a September day an assortment of strangers from around the world gathered in San Diego for the voyage of a lifetime a 75 day rounding of the dreaded Cape Horn on a square rigged tall ship Some were experienced sailors some novices but all dreamed of the Sailors Everest surviving Cape Horn and getting to wear the gold earring that is the age old symbol of the Cape Horner If they successfully completed the voyage they would join an exclusive group of fewer than 500 living Cape Horners How did this group of strangers meld into an effective team and ultimately a band of great friends How did they overcome storms fear and interpersonal strains to achieve a lifes dream Join management consultant and college instructor Rob Duncan as he recounts the voyage first hand and shares the teambuilding lessons he learned

through the process of earning his own gold earring Part management primer part inspirational tale this book will appeal to anyone who works in or manages teams anyone who dreams of achieving a personal quest and everyone who loves a good yarn Haul Away also contains useful lessons and worksheets that will help you to reach your own personal quest whatever it may be Hearings United States.
