Education And Work In Great Britain Germany And Italy:

Education and Work in Great Britain, Germany and Italy Annette Jobert, Catherine Marry, Helen Rainbird, Lucie Tanguy, 2013-05-13 This volume examines the multiple connections between education broadly defined and work through an analysis of the literature on the transition from school to work on vocational training and on the labour market It shows that concepts such as skill unemployment rates young people and the transition from school to work are socially constructed and are thought about in ways which are nationally specific This book is essential reading for students of European training systems and for those conducting comparative European research **Transitions from Education to Work in Europe** Walter Müller, Markus Gangl, 2003-11-27 This text provides a comparative analysis of school to work transitions in EU member states It shows how differences in both European education and training systems as well as labour market institutions generated significant variation in the experiences of young people in the 1990s **Report Upon State Education in Great Britain, France, Switzerland, Italy, Germany, Belgium, and the United States of America** Richard Laishley, 1886 **Bulletin** , 1934 *Statistics of Land-grant Colleges and Universities* United States. Office of Education, 1939 **International Studies in Educational Inequality, Theory and Policy** Richard Teese, Stephen Lamb, Marie Duru-Bellat, 2007-06-03 Inequality is a marked and persistent feature of education systems both in the developed and the developing worlds Major gaps in opportunity and in outcomes have become more critical than in the past thanks to the knowledge economy and globalization More and more populations both rich and poor depend on successful use of school and on gaining post school qualifications But access to high quality schooling success at school and chances of higher education all remain socially divided with implications for economic opportunities personal growth and civic and community development What causes these divisions in how education systems work Have decades of public investment brought about at least some improvements even if major gaps remain If not what are the barriers the social processes which have frustrated the efforts of government The pursuit of equity as a goal of public policy is examined in this book through a series of national case studies covering many different global contexts from the wealthiest to some of the poorest nations on earth What have we learnt from the policy experience globally Do we know more today than yesterday about the origins of social inequality Are our policies better framed better designed to tackle inequality And which way forward What does the evidence suggest in terms of future approaches and emphasis This work is published in three volumes which together form a 3 volume set

Public Employment Services and European Law , 2007-09-27 Employment services are at the centre of a complex web of rules deriving from the EU national public law and from private agreements This book examines the law and regulation of public services through case studies of the public employment services in EU member states **Bulletin** United States.
