Heroes and Anti-heroes in Medieval Romance Neil Cartlidge, 2012 Investigations into the heroic or not behaviour of the protagonists of medieval romance Medieval romances so insistently celebrate the triumphs of heroes and the discomfiture of villains that they discourage recognition of just how morally ambiguous antisocial or even downright sinister their protagonists can be and correspondingly of just how admirable or impressive their defeated opponents often are This tension between the heroic and the antiheroic makes a major contribution to the dramatic complexity of medieval romance but it is not an aspect of the genre that has been frequently discussed up until now Focusing on fourteen distinct characters and character types in medieval narrative this book illustrates the range of different ways in which the imaginative power and appeal of romance texts often depend on contradictions implicit in the very ideal of heroism Dr Neil Cartlidge is Lecturer in English at the University of Durham Contributors Neil Cartlidge Penny Eley David Ashurst Meg Lamont Laura Ashe Judith Weiss Gareth Griffith Kate McClune Nancy Mason Bradbury Ad Putter Robert Rouse Siobhain Bly Calkin James Wade Stephanie Vierick Gibbs Kamath

Spiritual Formation as the Hero's Journey in John of Ruusbroec Robert Pelfrey, 2022-04-07 This book examines the theology of spiritual formation developed by fourteenth century Flemish mystic John of Ruusbroec arguing that his formational path clearly and consistently displays the characteristics of the archetypal narrative structure of the hero's journey To start with a hermeneutical dialogue between scholars of the hero's journey and Ruusbroec is established employing the work of Hans Georg Gadamer The author then examines the stages and tropes of the hero's journey according

to Vladimir Propp Joseph Campbell Northrop Frye Ren Girard Dean Miller and others exploring the parallels in Ruusbroec's writing and theology of spiritual formation The book follows Ruusbroec's story of answering the divine call journeying inward and experiencing the trials of spiritual transformation attaining the treasure of divine union and returning in loving service to others Finally the ramifications of the argument for the interpretation and application of other mystical and heroic narratives are considered Offering a new perspective on John of Ruusbroec mystical theology and the hero's journey as a spiritual quest this volume will be of interest to scholars of mysticism theology formative spirituality narrative theory and religious literature of the Low Countries
