Love Among the Ruins Warwick Deeping,2021-01-15 Love Among the Ruins is the tale of Yeoland young lady determined to have her revenge against Lord Flavian of Gambrevault and Avalon the man whose raiders destroyed her home and killed her

father On her path Yeoland meets a man who presents himself as Fulviac of the Forest a leader of the group of outlaw who claims that he also has a feud with lords of Gambrevault Stubborn and stiff Fulviac ignites a war that slips beyond his control as his men quickly slip out of his reach marching onwards leaving a smoking trail of desolation behind them destroying much more than just their enemies In the midst of the war Yeoland finds herself being confused feeling pity for the man she thought she hated the most *Books in Print Supplement* ,2002 **Saving Her Destiny** Candice Gilmer,2017-06-13 Can he save his best friend The Mythicals Book 1 Fairy In Distress team member Duncan Molar s mission is as simple as it is desperate Find his missing best friend banshee Cara Wallace before an assassin lights the magical fuse that will unlock her scream wiping out the last merrow colony on earth Since the day he rescued her from a fishing net the near victim of her very first scream they ve been joined at the hip he helping her with her telepathy she helping him remember the beautiful side of being a fairy When he finds her the crisis isn t over for the unreleased scream could kill her unless he gets her to a remote location and figures out a way to release it safely The solution blows them so far apart Duncan s back to square one Doing whatever he has to including sacrificing his job with the FID in order to save her Because secretly he s been in love with her for a decade A Mythicals of Avalon Novel *Hell of a Prophecy* McKayla Schutt,2020-07-08 The daughters of Hades Zeus and Poseidon are linked in more than one way You d think the daughter of Hades would have hellfire hair and a wicked temper well you d be right Avalon s lived a sheltered life because her father thinks the world is out to get her He may be right because her new freedom brings furies to her door a bounty on her head and demi god with horns Actually the sexy demi god is the only bright side to her discord She s swearing to anyone who will listen that she won t be the cause of destruction but only Balthazar listens Balthazar the son of Pan but they have very little in common With a short temper and skills at fighting he s perfect to protect Avalon from the others Falling for Hades only daughter wasn t the best plan he could ve made He believes she doesn t want to harm anyone but the power that thrives in her blood works against her The swords are sharpened and fingers itch for a fight as one god threatens Avalon s life Will monsters be unleashed or is Avalon not the daughter the prophecy spoke of [The British Sources of the Abduction and Grail Romances](#) Flint Johnson,2002 This very uneven book undertakes an analysis of two romances by Chretien de Troyes Le chevalier de la charrette and Le conte du graal that seeks to uncover Welsh sources for the stories The work was written as a doctoral thesis we are not told where Annotation copyrighted by Book News Inc Portland OR **Fire and Rain, Answering the Rune's Call** Sara Annon,2019-01-18 This series rises out of my personal journey with the Runes that began during a Mask Dance workshop in Northern Germany the birthplace of the runes During the week I spent in a lovely seminar house secluded in among the trees bordering the heather of the Lunebergerheide I found myself tasked with telling the story of the Runes as one of creation not destruction We used shamanic drumming and rattling to drive the visionary state and a specific body posture to guide our experience My time was spent deep in a philosophical discussion with the energetic field of the Runes It was impressed on

me that the two fundamental distortions in the historical practice of Runes were the suppression of sexual energy in Christianity and the Germanic tribe s practice of ritual killing to gain personal power I was shown how this combination inherently leads to atrocities My first step was to seek out any creation stories I could find that were related to the runes Somewhat to my surprise I did not find any direct or obvious correlations between the runes names and the stories In fact the use of the runes as an alphabet turned out to be driven by the Christian Church Then I looked into the current practice of Rune Stances and found their origins were both recent and suspect Along the way I had to admit that if the creation story of the runes was readily accessible they would not have had to grab hold of an ignorant mixed blood New Mexican to tell their tale What I had to offer was my own idiosyncratic view of the situation Since I had experience with ecstatic trance postures I wondered if rune shapes corresponded with ancient ecstatic body postures Once I turned towards the much older and more mysterious visionary roots of the Runes my path to a runic story of creation began to open I ended up with a mosaic of a sacred World Tree made of ancient bits and pieces I hope they can open creative experiential doors for those drawn to work in the runic realms Keywords Ancestry Creation Myths Ecstatic Trance Postures Epigenetics Rune Stances Runes Sacred Speech World Tree Shamanism Sustainable
