Heart Of The Whirlwind:

My Unorthodox Hearts Garry W. Gosney, 2008-10 This book shares original poems providing spiritual and inspirational messages in a rhythmic and rhyming style The poems focus on values and intend to encourage you to pursue your goals while helping you to identify and experience your life purpose Heart of the Whirlwind Dorothy Cork, 1979 **The Heart's Journey** IVY BLAIR, 2023-05-25 In The Heart's Journey A Tale of Enduring Love embark on a captivating and heartfelt romance that will sweep you off your feet This enchanting tale follows the extraordinary journey of Emma and James as they navigate the twists and turns of life exploring the depths of their love and the unbreakable bond that holds them together From their first glimpse a chance encounter that sparks a flame of undeniable attraction to the serendipitous moments that bring them closer their love story unfolds with passion and intensity Emma and James are captivated by the whispers of their hearts drawn together by a force that transcends time and circumstance As they traverse the dance of hearts they encounter trials and tribulations that test the strength of their connection Yet their love proves steadfast inspiring them to fight for what truly matters In the face of unexpected turns they discover the healing power of love finding solace in each other's arms and confiding their deepest secrets Their journey is filled with bittersweet moments where the ecstasy of love intertwines with the pain of farewell They embrace the beauty of sacrifice making choices that shape their destiny and forge an unbreakable bond Together they navigate whirlwind adventures finding joy in the simplest of moments and creating memories that will last a lifetime The Heart's Journey is a tale that celebrates the enduring power of love It delves into the depths of their souls where they uncover their innermost desires and fears In their unwavering support and shared dreams they find solace and strength proving that love's journey is not without its challenges but that the rewards are immeasurable As their love blossoms and blooms Emma and James vow to cherish and honor each other forever bound by their sacred promises Their love story becomes an everlasting journey an exploration of trust growth and the profound connection that transcends time With evocative prose and heartfelt emotion The Heart's Journey A Tale of Enduring Love will take you on an unforgettable ride Lose yourself in the passion feel the warmth of their love and be reminded that true love is worth fighting for worth sacrificing for and ultimately a journey that will leave an indelible mark on your heart Byron and the Need of Fatality Charles Du Bos, Ethel Colburn Mayne, **Str8 from the Heart** Kimberly Washington, 2008-09 About Str8 From The Heart Str8 from the Heart was created out of a passion to heal and empower women Many a woman can identify with the thoughts and feelings of the author Kimberly Washington as she shares the poems have been inspired in the core of her heart and soul Kimberly becomes transparent in a way that anyone can relate to from her areas of brokenness insecurity and pain to the realization of who she truly is more than a conqueror Kimberly invites you to take the path less traveled and become enlightened as she comes Str8 from the Heart I always flow from what my heart feels It may not be glamorous but it is always real Kimberly Washington **Kansas: In the Heart of Tornado Alley** Jay M. Price, Craig Torbenson, Sadonia

Corns, Jessica Nellis, Keith Wondra, 2011-11-28 Back in 1915 Snowden D Flora of the US Weather Bureau wrote Kansas has been so commonly considered the tornado state of the country that the term Kansas cyclone has almost become a part of the English language Flora's words still seem to ring true Whether called a twister a tornado a vortex or cyclone these catastrophic events have shaped lives in the Sunflower State for generations Just a few destructive moments forever changed places such as Irving Udall Topeka Andover and Greensburg Even before Dorothy Gale in The Wizard of Oz helped equate the tornado with Kansas the turbulent nature of local weather seemed to parallel an equally turbulent history with the fury of people such as John Brown compared to a cyclone Even if they have never seen a funnel cloud themselves those who live in Kansas have come to accept the twister as a regular and always unpredictable neighbor

The Undivided Heart Kevin D. Darland, 2008-10 As we walk through the shadow of life's trials we will gain much comfort and spiritual good for our happiness is not of this world but is of the Kingdom of God and our assurance is fully realized in Him One must give attention to their hearts watch over it with all diligence for from it flows the springs of life Watch then the path of your feet and let your eyes be fixed upon God's word Keep His precepts in the midst of your heart so that your ways and actions will be fruitful Every mercy is from God every trial that tempts us on the road of faith has an illustration behind its experience All the sharp trials of life are but the golden threads of providence under the control of God the Father Our roses our thorns our mountains our valleys and temptations are plainly wrought by Him Take hold of His instruction and your heart will not be divided As a young boy Kevin was placed into an orphanage The preciousness of Kevin's love for his mother who was now gone due to cancer left him overwhelmed with fear Crushed and lonely by her death he would carry this burden through life like a ball and chain Therefore clouding his heart to God's way for his life But in time through providential circumstances God took away this burden and restored him to Christ's everlasting love and established his feet upon the Rock of Ages Kevin wife Karen and daughter Megan reside in Texas Kevin has a previously published book It Is Written By Xulon Press December 2007

My Heart's Cries MG Page, 2009-08-17 My Heart's Cries is a collection of divinely inspired poems and narratives that will speak to your heart and move you to step beyond the pain of yesterday and leap forward into God's Promise of abundant life and healing There are many of us who are living lives of great prominence and significance seemingly with the world at our fingertips We are established and distinguished people but yet we are hurting and bleeding still carrying around hurts pains scars and bruises from yester year crying out for help on the inside Underneath all the smiles great accomplishments nice paychecks and great wealth there lies emotional and spiritual famine At some point we must come to terms with the fact that it's time for a reality check We must be mature enough to embrace change and move forward with a purpose My Heart's Cries will challenge you to change and in it you will find that the Love of God is the answer to everyone of our Heart's Cries
