*The Heart of Hyacinth* Onoto Watanna,2018-03-23 The Heart of Hyacinth originally published in 1903 tells the coming of age story of Hyacinth Lorrimer a child of white parents who was raised from infancy in Japan by a Japanese foster mother and assumed to be Eurasian A crisis occurs when 18 years after her birth her American father returns to Japan to reclaim her just as Hyacinth has become engaged to a Japanese aristocrat and she forcefully asserts her Japanese ties only to find that her prospective father in law will not tolerate a white wife for his son Onoto Watanna creates in her protagonist a young white woman who not only claims a Japanese identity but shifts between her Japaneseness and her whiteness as expediency dictates In this novel Watanna is on the cutting edge of what we now call race theory using that theory of racial constructions and fluidity in the service of an avant garde feminism

**The Romance of Race** Jolie A. Sheffer, 2013-01-02 In the United States miscegenation is not merely a subject of literature and popular culture It is in many ways the foundation of contemporary imaginary community *The Romance of Race* examines the role of minority women writers and reformers in the creation of our modern American multiculturalism The national identity of the United States was transformed between 1880 and 1930 due to mass immigration imperial expansion the rise of Jim Crow and the beginning of the suffrage movement A generation of women writers and reformers particularly women of color contributed to these debates by imagining new national narratives that put minorities at the center of American identity Jane Addams Pauline Hopkins Onoto Watanna Winnifred Eaton Mar a Cristina Mena and Mourning Dove Christine Quintasket embraced the images of the United States and increasingly the world as an interracial nuclear family They also reframed public debates through narratives depicting interracial encounters as longstanding unacknowledged liaisons between white men and racialized women that produced an incestuous mixed race nation By

mobilizing the sexual taboos of incest and miscegenation these women writers created political allegories of kinship and community Through their criticisms of the nation s history of exploitation and colonization they also imagined a more inclusive future As Jolie A Sheffer identifies the contemporary template for American multiculturalism in the works of turn of the century minority writers she uncovers a much more radical history than has previously been considered The Hymns of the Dominican Missal and Breviary Catholic Church,1943 T. S. Eliot: Mystic, Son and Lover Donald J. Childs,2014-01-13 Based upon manuscript sources and the uncollected prose writings as well as the published works this is a profound exploration of Eliot s life long preoccupation with mysticism The author advances new readings of the familiar poems and essays through attention to Eliot s concern in poetry and prose with his roles as mystic son and lover *The agonising heart* François René Blot,1870 **Poems and Stories in Verse** Mary Edwards Bryan,1895 **Harper's Weekly** John Bonner,George William Curtis,Henry Mills Alden,Samuel Stillman Conant,Montgomery Schuyler,John Foord,Richard Harding Davis,Carl Schurz,Henry Loomis Nelson,John Kendrick Bangs,George Brinton McClellan Harvey,Norman Hapgood,1893
