Point of Order Michael Ponsor, 2024-03-12 In this explosive legal thriller Judge David Norcross enters dangerous terrain when a favor to a colleague lands him a fifty year old homicide case The defendant Dominic O Connell with the help of his gangster uncle is one of Boston's most charming and successful businessmen His rise from poverty to power is the stuff of local legend But when a dying hitman fingers O Connell for the long ago unsolved murder of a city police officer his life and his fortune are on the block The prosecutor is seeking a life sentence and Judge Norcross is the last person O Connell wants on the bench With the trial days away a deadly bombing in Harvard Yard throws the city into turmoil The FBI believes that terrorists are behind the carnage and their suspicions soon

fix on a man tied to Norcross's past. But was the bombing really a terrorist attack, a reprisal by O'Connell's henchmen, or something else? As the threats to the judge and his family mount up and the violence increases, lives will depend on getting answers to these questions and getting them fast. Drawing on decades of experience as a trial judge, New York Times bestselling author Michael Ponsor crafts a gripping third Judge Norcross novel. The result is another page-turning mystery brimming with intrigue, fear, and courage, set in the real-life world of a federal court. The courtroom seen from the judge's bench, a legal thriller both entertaining and morally nuanced, filled with telling insider details. Joseph Kanon Praise for the Judge Norcross Novels: A story that grips the reader even as it teaches some fine points of criminal procedure. When a drive-by shooting in Holyoke, Massachusetts, claims the lives of a drug dealer and a hockey mom volunteering at an inner-city clinic, the police arrest a rival gang member. With no death penalty in Massachusetts, the US attorney shifts the double homicide out of state jurisdiction into federal court so he can seek a death sentence. The Honorable David S. Norcross, a federal judge with only two years on the bench, now presides over the first death penalty case in the state in decades. He must referee the clash between an ambitious female prosecutor and a brilliant veteran defense attorney in a high-stress environment of community outrage, media pressure, vengeful gang members, and a romantic entanglement that threatens to capsize his trial, not to mention the most dangerous force of all: the unexpected. Written by judge Michael Ponsor, who presided over Massachusetts's first capital case in over fifty years, *The Hanging Judge* explores the controversial issue of capital punishment in a dramatic and thought-provoking way that will keep you on the edge of your seat. It is a crackling court procedural. Anita Shreve and gripping legal thriller.
