Hearts On Fire The Evolution Of An Urban Church:

Hearts on Fire Bill Lane Doulos, 2016-04-11 Dr George Regas led the congregation of All Saints Episcopal Church in Pasadena California for nearly three decades The witness of this remarkable church has brought transformation to the lives of communities and individuals across the land Hearts on Fire is the story of this amazing priest and his parish With its rich tradition and cutting edge social ministry All Saints is one of the premier parishes in the United States The story of All Saints is especially relevant because it shines as a bright light across the bleak landscape of urban America Where can we find a witness to the good news of personal and social redemption in the midst of the moral confusion and spiritual crisis of our age This book will fill the reader with hope for the dawn of a new age of morality justice and faith All Saints Church is still growing looking forward to a new rector in the person of Ed Bacon and eager to empower its members and transform its community The Living Church ,1996 *City of Dignity* Sean T. Dempsey, 2022-12-20 Introduction city of dignity Trials by fire Father George Dunne and social justice in postwar Los Angeles Prophets of the secular city the churches and the urban crisis in 1960s Los Angeles Making the global grassroots church based community organizing in 1970s Los Angeles Human rights and religious pluralism in multicultural Los Angeles City of refugees city of sanctuary Time of visitation social Christianity and economic justice in post 1992 Los Angeles **The Radical Disciple** Bill Lane Doulos, 2015-10-15 The Radical Disciple invites the followers of Christ to take seriously the scriptural mandate to love God and neighbor The cost of contemporary discipleship is just as high now as it was in the early days of the Christian church But the sharp edge of the gospel mandate has been watered down The hard passages of the Bible have been ignored by a church that has become too comfortable with the economic and political status quo But when a disciple sidesteps the call of God to radically embrace the poor of the world then that disciple also sidesteps the comfort and the inheritance that God holds for God's faithful people We Christians represent a radical alternative to the greed complacency and violence of our age The promise for us is the promise of community and celebration joy and peace But we must follow the way of the cross which is just as relevant and compelling for us as it was for Jesus two thousand years ago So we have set before us in these pages a prescription for the servanthood that is required of us By assuming the yoke of a servant we claim joy and purpose for our lives Read this book and gain insight into the meaning of these words for Christians and the church today Cotton Patch Parables of Liberation Clarence Jordan, 2009-04-01 When Jesus delivered his parables he lit a stick of dynamite covered it with a story about everyday life and then left it with his audience By the time his hearers fully unwrapped the parable Jesus and his disciples were long gone Clarence Jordan essentially retells these powerful parables in the language of the South in order to place modern readers in that same first century situation Properly understood these Cotton Patch stories can liberate us into the kingdom of God from the cultural prisons of religion wealth and prejudice After Jordan's death in 1969 Bill Lane Doulos took up the task to combine these Cotton Patch Version parables with appropriate excerpts from Jordan's sermons and with his

own commentary which does well to pull everything together In the end Doulos and Jordan call readers into true discipleship challenging them to explore the demands of kingdom life on a whole new level *American Book Publishing Record* ,2004
