Elimination Of Child Labour A Practical Workbook:

The Elimination of Child Labour: Whose Responsibility? Pramila H Bhargava, 2003-04-08 This important book reports a successful programme to tackle the social evil of child labour which was implemented by the author in a rural area of Andhra Pradesh Without going into the pros and cons of child labour the book is premised on the belief that it should be eliminated and emphasises that the only way this can be achieved is through education Pramila Bhargava brings in the voices of parents teachers farmers and the children themselves In conclusion she distils her experience and presents a cost effective practical and viable model which can be used by anyone engaged in tackling the phenomenon of child labour

Child Labour in a Globalized World Luca Nogler, Marco Pertile, 2016-04-15 This volume examines the legal dimension of the ILO's action in the field of Child Labour The authors investigate the implementation of the relevant legal instruments and assess the effectiveness of the ILO supervisory system All relevant instruments are considered while particular attention is given to Convention 182 on the elimination of the worst forms of child labour Child Labour in a Globalized World describes the ILO's activities concerning the eradication of child labour whilst assessing and evaluating the effectiveness of the relevant legal framework and functioning of the supervisory system This book contextualizes the issue of the eradication of the worst forms of child labour in the recent doctrinal debate on the nature of labour standards and the transformation of the ILO This important work will be a valuable resource for academics researchers and policy makers with an interest in labour law international law and children's rights

The Global Victimization of Children Clayton A. Hartjen, S. Priyadarsini, 2012-01-02 This book describes the concept of child victimization in all its facets Millions of young people throughout the world face violence sexual physical and emotional abuse and exploitation on a daily basis The worldwide victimization of young people can be prevented or at least its incidence can be greatly reduced if purposeful action is taken to do so This volume researches and documents some of the ways in which young people throughout the world are victimized and suggests strategies for preventing various forms of child victimization Eight distinct forms of victimization are identified and analyzed in detail Included are discussions on child prostitution and pornography economic exploitation through child labor and trafficking physical and other abuse inflicted on young people in schools and other institutions the use of children as armed combatants and the denial of the basic needs and rights of children to such things as home and to education In each chapter the authors discuss the nature of the victimization its global dimensions and prevalence and the measures governments and or others are taking or failing to take to combat the harm based on the concept that youth victimization is a form of government crime
