Leavitt IV, 2020-05-26 Neorealism emerged as a cultural exchange and a field of discourse that served to shift the confines of creativity and revise the terms of artistic expression not only in Italy but worldwide If neorealism was thus a global phenomenon it is because of its revolutionary portrayal of a transformative moment in the local regional and national histories of Italy At once guiding and guided by that transformative moment neorealist texts took up reflected and performed the contentious conditions of their creation not just at the level of narrative content but also in their form language and structure *Italian Neorealism A Cultural History* demonstrates how they did so through a series of representative case studies Recounting the history of a generation of artists this study offers fundamental insights into one of the most innovative and influential cultural moments of the twentieth century *The Reception of D. H. Lawrence in Europe* Dieter Mehl, Christa Jansohn, 2007-01-05 The intellectual scope and cultural impact of British and Irish writers in Europe cannot be assessed without reference to their European fortunes This collection of essays prepared by an international team of scholars critics and translators record how D H Lawrence's work has been received translated and interpreted in most European countries with remarkable though greatly varying success Among the topics discussed in this volume are questions arising from the personal and frequently controversial nature of much of Lawrence's writings and the various ways in which translators from across Europe coped with the specific problems that the often regional but at the same time cosmopolitan Lawrencean texts pose **Twentieth-century Italian Literature in English Translation** Robin Healey, 1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence **A Vittorini Omnibus: In Sicily, The Twilight of the Elephant, La Garibaldina** Elio Vittorini, 1973 This representative collection of works by the late Elio Vittorini 1908-1966 brings under a single cover three short novels *The Twilight of the Elephant* *Il Sempione strizza l'occhio al Frjus* 1946 is a haunting mythlike tale bearing strong affinities with music and abstract art It is the story of a poverty stricken family and its extraordinary grandfather a veritable elephant of a man One of the recognized classics of modern literature *In Sicily* *Conversazione in Sicilia* 1937 recounts a city man's rediscovery of himself and the basic values of life when he returns for a visit to the primitive Sicilian village where he was born Included in this edition is an introduction written in 1949 by Ernest Hemingway who greatly admired Vittorini The third
