Elites In South Asia

William Case

Elites In South Asia:

Elites in South Asia Edmund Leach, S. N. Mukherjee, 1970-09-02 A study of elitism particularly concerned with Indian elites in the context of British influence and its aftermath The problems delineated are by no means peculiar to the Indian subcontinent Nearly all the developing countries of contemporary Asia Africa and Latin America are entangled with their post colonial heritage and the history of political elitism in all these countries has been similar The papers consider who were members of the elites in the sense of men at the top They enquire how they got there how they continued to recruit themselves and what was their relationship with the British The contributors sociologists economists anthropologists political scientists and historians present each other with forms of evidence which are unfamiliar and in sum result in a study which destroys many of the conventional clichés of colonial historians **Elites in South Asia** Edmund Ronald Leach, 1970

Elites in South Asia. Ed. by E. Leach and S.N. Mukherjee. [With Contris. of (T.G.)P. Spear, E. Stokes, S.N. Mukherjee A.o.], 1970 **Elites in South Asia. Ed. by Edmund Leach and Soumyendra Nath Mukherjee. [With Contris. of (T.G.)P. Spear, E. Stokes, S.N. Mukherjee A.o.], 1970** **Elites in South Asia. Ed. by Edmund Leach and Soumyendra Nath Mukherjee. [With Contris. of (T.G.)P. Spear, E. Stokes, S.N. Mukherjee A.o.], 1970** **The Palgrave Handbook of Political Elites** Heinrich Best, John Higley, 2017-11-08 This handbook presents a comprehensive view of the current theory and research surrounding political elites which is now a pivotal subject for academic study and public discourse In 40 chapters by leading scholars it displays the field's richness and diversity The handbook is organized in six sections each introduced by a co editor focusing on theories about political elites methods for studying them their main structural and behavioral patterns worldwide the differentiation and integration of political elite sectors elite attributes and resources and the dilemmas of political elites in this century Forty years since Robert Putnam's landmark *Comparative Study of Political Elites* this handbook is an indispensable resource for scholars and students engaged in the study of this vibrant field *Elites and Decolonization in the Twentieth Century* Jost Dülffer, Marc Frey, 2011-04-05 Decolonization changed the spatial order of the globe the imagination of men and women around the world and established images of the globe Both individuals and social groups shaped decolonization itself this volume puts agency squarely at the centre of debate by looking at elites and leaders who changed the course of history across the world Elite Perceptions of Poverty and Inequality Elisa Reis, Mick Moore, 2013-07-04 The researchers who have written this volume are clear not only that mass poverty is still the leading humanitarian crisis in developing countries but that if effective policies are to be put in place the national elites who control governments and economies need to be convinced of both the reasons why reducing poverty is in their own and the national interest and that public action can make a difference Remarkably in the rapidly growing literature on poverty this volume is the first to use survey techniques to explore Third World elites attitudes to poverty Five cases intended to be broadly representative of the diversity of situations in developing countries were chosen Brazil South Africa the Philippines Bangladesh and Haiti While the authors found major differences in how national elites understand and represent poverty the

classic threats that induced elites in late 19th Century Europe to be concerned with reducing poverty the fear of crime epidemics military weakness or political unrest do not feature prominently in the consciousness of most Third World elites Nor do most of them believe that there is a viable solution to poverty through public action The findings in this book throw light on one reason for the relative ineffectiveness of poverty reduction strategies hitherto and the huge importance of presenting the problem of poverty in ways that fit more closely with the ways in which national elites understand their world

Elites and Democratic Transitions by Regime Transformation in Southern Europe Ioannis Tzortzis, 2022-09-16
This book examines three cases of democratic transitions by self transformation of the non democratic regimes in Southern Europe the Spanish reforma pactada ruptura pactada of 1976 77 the Greek Markezinis experiment of 1973 and the Turkish democratic transition of 1983 in a comparative perspective The author argues that a democratic transition initiated by the regime elites is in contrast to widely held assumptions and notwithstanding some reservations on whether democracy can be introduced by non democrats worth viewing as a window of opportunity for democratisation It is up to the democratic counter elites to respond to it using the civil society and the international factor as allies to achieve their goal of acquiring more concessions from the regime

The Other Elites MaryAnne Borrelli, Janet M. Martin, 2000-12-15 Contains 13 contributions divided into four sections theoretical and comparative perspectives on women as political executives institutional perspectives on women as officeholders in the executive branch institutional perspectives on the President Congress and the Courts and policy and participations issues relating to women as executive activists and as citizens Annotation copyrighted by Book News Inc Portland OR

Political Elites and the New Russia Anton Steen, 2004-06-01
Political Elite and the New Russia convincingly argues that although reforms in Russia have been initiated by those close to the President in fact local and national elites have been the crucial strategic actors in reshaping Russia s economy democratising its political system and decentralising its administration This book analyses the role of elites under Yeltsin and Putin discussing the extent to which they form a coherent political culture and how far this culture has been in step with or at odds with the reform policies of the Kremlin leadership

Indian Democracy M. Manisha, Sharmila Mitra Deb, 2009
Indian Democracy is an attempt to understand the development of democratic polity in India It covers a wide range of issues theoretical concepts political institutions federalism electoral process individual and group rights and mass media drawing attention to the significant broadening of Indian democracy

Elites, Nonelites, and Power Rebecca Jean Emigh, Dylan Riley, 2024-11-28 Bringing together cutting edge multidisciplinary papers that weigh in on central issues of the world and social science the collection consider power elites and nonelites in a new inclusive way drawing in researchers who deal with topics central to elite theory but who might not be represented in more classic statements of it

A comparative study of elite English-medium schools, public schools, and Islamic madaris in contemporary Pakistan Akhtar Hassan Malik, 2015-04-12
This ethnographic study examines the role of differing school knowledge in reproducing various social classes in the society

It was observed that an unequal availability of capital resources agents class habitus and the type of their cultural currency act as selection mechanisms that clearly favour some social groups over others The ruling classes ensure the transfer of their power and privilege to their children by providing them with quality education in elite schools The disadvantaged classes are excluded from these unique institutions by both social and economic sanctions They have no other option than to educate their children either in public schools or Islamic madaris As a result inequitable educational opportunities consolidate the existing social class hierarchy

Elites, Non-Elites, and Political Realism John Higley, 2021-10-29 This provocative and groundbreaking book challenges accepted wisdom about the role of elites in both maintaining and undermining democracy in an increasingly authoritarian world John Higley traces patterns of elite political behavior and the political orientations of non elite populations throughout modern history to show what is and is not possible in contemporary politics He situates these patterns and orientations in a range of regimes showing how they have played out in revolutions populist nationalism Arab Spring failures to democratize the conflation of ultimate and instrumental values in today s liberal democracies and American political thinkers misguided assumption that non elites are the principal determinants of politics Critiquing the optimistic outlooks prevalent among educated Westerners Higley considers them out of touch with reality because of spreading employment insecurity demoralization and millennial pursuits in their societies Attacks by domestic and foreign terrorists effects of climate change mass migrations from countries outside the West and disease pandemics exacerbate insecurity and further highlight the flaws in the belief that democracy can thrive and spread worldwide Higley concludes that these threats to the well being of Western societies are here to stay They leave elites with no realistic alternative to a holding operation until at least mid century that husbands the power and political practices of Western societies Drawing on decades of research Higley s analysis is historically and comparatively informed bold and in some places dark and will be sure to foster debate

The Role of Local Political Elites in East Central Europe Roxana Marin, 2021-03-29 How does the elite continue to affect the evolution of local communities in the developing region of former Sovietized Europe This book is concerned with the issue of local leadership in the countries of East Central Europe It is an attempt to examine with a comparative method the profile and the role of the local political elites members of the Municipal Councils in six towns in six transitional democracies of the region

Language, Politics, Elites and the Public Sphere Veena Naregal, 2002 An intriguing look at a facet of colonialism that is rarely explored

Mainstream Traditions Of Social Stratification Theory Rajendra Pandey, 1989

Culture, Technology, Communication Charles Ess, Fay Sudweeks, 2001-06-14 Provides cross cultural perspectives on computer mediated communication

Routledge Handbook of Southeast Asian Democratization William Case, 2015-04-24 Southeast Asia an economically dynamic and strategically vital region seemed until recently to be transiting to more democratic politics This progress has suddenly stalled or even gone into reverse requiring that analysts seriously rethink their expectations and theorizing The Routledge Handbook of Southeast Asian Democratization provides the

first book length account of the reasons for democracy's declining fortunes in the region today. Combining theory and case studies, it is structured in four major sections: Stunted Trajectories and Unhelpful Milieus; Wavering Social Forces; Uncertain Institutions; Country cases and democratic guises. This interdisciplinary reference work addresses topics including the impact of belief systems, historical records, regional and global contexts, civil society, ethnicity, women, Islam, and social media. The performance of political institutions is also assessed, and the volume offers a series of in-depth case studies evaluating the country records of particular democratic, hybrid, and authoritarian regimes from a democratization perspective. Bringing together nearly 30 key international experts in the field, this cutting-edge Handbook offers a comprehensive and fresh investigation into democracy in the region. This timely survey will be essential reading for scholars and students of Democratization and Asian Politics, as well as policymakers concerned with democracy's setbacks in Southeast Asia and the implications for the region's citizens.

Nepal's Power Elites Gaurav Bhattarai, 2025-09-26

To the ambitious Shah Rajah like Prithvi Narayan, foreign was Muglan, the abode of non-believers. Foreign was Bhot, the Nepali term for Tibet. Foreign was Firangi, the British colonizers. To the Rana ruler like Jung Bahadur, foreign was a little broader, crossing the sea, reaching Europe, meeting Queen Victoria, consuming foods prohibited by the then Nepali State, stucco palaces, English language ballroom, and many more. Even those Shah Rajahs susceptible to the prowess of both the regent queens and Rana rulers were thrilled by the domain of foreign, either by seeing the British Residents in Durbar or by gazing at the menus of the European departmental stores. Following the Indian independence, however, King Tribhuvan had the pleasure and privilege of swotting up more about the realm of foreign, be it during the ball dance with Erica or in Boris's Club 300 or during his stay in Hyderabad House. His son Mahendra dared and darted Nepal's foreign across the post-war international system through his visits and interlocutors. At the height of the Cold War, to Eton-educated Birendra, the sphere of foreign had to be dealt with the know-how of negotiation and conciliation. As the experiences, exposure, and escapade of ruling groups steadily descended and spread to the larger public domain, the leaders and ministers from the political parties brazenly branded elites' ploys in dealing with the external world as foreign policy and the elites' interests as the national interests.

The Enthralling Realm of Kindle Books: A Comprehensive Guide Revealing the Pros of E-book Books: A Realm of Convenience and Flexibility E-book books, with their inherent mobility and simplicity of access, have liberated readers from the constraints of physical books. Gone are the days of lugging cumbersome novels or meticulously searching for particular titles in bookstores. Elites In South Asia Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Elites In South Asia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Elites In South Asia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Elites In South Asia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
