Schelling, 2023-07-18 This anthology of seventeenth century poetry is a celebration of the beauty and power of language Edited by Felix E Schelling one of the leading literary scholars of his time A Book of Seventeenth Century Lyrics includes works by John Donne Robert Herrick and Andrew Marvell among others With an introduction that provides historical and cultural context this anthology is a treasure trove for lovers of poetry This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Art of Marvell's Poetry** J. B. Leishman, 2021-10-29 First Published in 1966 The Art of Marvell's Poetry presents J B Leishman's appreciation of Andrew Marvell's poems by demonstrating a sensitive understanding of attitudes peculiar to the seventeenth century and to Marvell Leishman calls Marvell an inveterate imitator and experimenter His success depended on originality of combination rather than originality of invention But while such phrases as Musick the Mosaic of the Air Deserts of vast Eternity and a green Thought in a green shade were certainly inspired by others they are distinctively and unquestionably Marvell's own Marvell's poetry is shown to be the work of a man living at a certain moment in history it is poetry which could not have been written at any other time and its affinities to the work of contemporary poets are clearly demonstrated The Art of Marvell's Poetry is a must read for scholars and researchers of English poetry English literature and European literature *Schelling Anniversary Papers* Felix Emanuel Schelling, 1923 **Chaucer to Dryden** Thomas Seacombe, 1906 *Catalog* Southeast Missouri State College, 1917 *The Cambridge bibliography of English literature, edited by F.W. ...* F.W.
