Lawrence Abel, 2018-04-09 When John Wilkes Booth died shot inside a burning barn and dragged out twelve days after he assassinated President Lincoln all he had in his pocket were a compass a candle a diary and five photographs of five different women They were not ordinary women Four of them were among the most beautiful actresses of the day the fifth was Booth's wealthy fiancée women who were consumed by love jealousy strife and heartbreak women whose lives took wild turns before and after Lincoln's assassination women whom have been condemned to the footnotes of history until now *Rhode Island Roots*, 1990 *Family Records Today*, 1993 *Lincoln Herald*, 1992 Writings on New England History, 2003 **New Books on Women and Feminism**, 1991 *Genealogical and Local History Books in Print*, 1994-12 *The Life, Crime, and Capture of John Wilkes Booth* George Alfred Townsend, 1886 **The Life, Crime and Capture of John Wilkes Booth** George Alfred Townsend, 1865-01-01 *The Life, Crime, and Capture Of John Wilkes Booth* George Alfred Townsend, 2025-08-23 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **John Wilkes Booth: Day by Day** Arthur F. Loux, 2014-09-06 By 1865 at the age of 26 Booth had much to lose a loving family hosts of friends adoring women professional success as one of America's foremost actors and the promise of yet more fame and fortune Yet he formed a daring conspiracy to abduct Lincoln and barter him for Confederate prisoners of war The Civil War ended before Booth could carry out his plan so he assassinated the president believing him to be a tyrant who had turned the once proud Union into an engine of oppression that had devastated the South This book gives a day by day account of Booth's complex life from his birth May 10 1838 to his death April 26 1865 and the aftermath and offers a new understanding of the crime that shocked a nation **The Escape and Suicide of John Wilkes Booth** Finis Langdon Bates, 1907 The author claims that John Wilkes Booth was not killed at the Garrett house in Virginia in 1865 but that he was living under name of John St Helen at Glenrose Mills Tex 1872 1877 and committed suicide at Enid Okla in 1903 as David E George **John Wilkes Booth** W.C. Life, Crime, and Capture of John Wilkes Booth George Alfred Townsend, 2019 **John Wilkes Booth** Asia Booth Clarke, Features a biographical sketch of the American actor John Wilkes Booth 1838 1865 Notes that Booth shot and killed the U S President Abraham Lincoln on April 14 1865

The Life, Crime, and Capture of John Wilkes Booth George A. Townsend, 2014-10-23 Right or wrong God judge me not man For be my motive good or bad of one thing I am sure the lasting condemnation of the North John Wilkes Booth Before the night of April 14 1865 John Wilkes Booth was one of the most famous actors of his time and President Abraham Lincoln had even watched him perform but his most significant performance at a theater did not take place on the stage That night Booth became one of history s most infamous assassins when he shot President Lincoln at Ford s Theatre in Washington D C Booth was a member of the prominent 19th century Booth theatrical family from Maryland and he was a well known actor throughout much of the country by the 1860s But Booth was also a Confederate sympathizer who dabbled in espionage and he was increasingly outraged at the Lincoln Administration Although Robert E Lee had surrendered the Army of Northern Virginia at Appomattox a few days earlier an action often cited as the end of the Civil War Booth believed the war was not yet over because Confederate soldiers under General Joseph E Johnston were still fighting and the flamboyant actor hoped his conspiracy could strike the kind of blow that might turn the Confederacy s fate around Early plans to kidnap and ransom President Lincoln ultimately gave way to a wide ranging conspiracy by Booth and a small group to kill Lincoln and other top officials in a bid to decapitate the federal government and help the South Perhaps not surprisingly the actor s flair for the dramatic came at a cost to the plot It took almost no time for the shocked public and the federal government to begin unraveling Booth s conspiracy which had mostly faltered from the beginning Following the shooting America s most famous manhunt commenced a 12 day pursuit that became the stuff of legends and controversy itself Eight others were eventually tried for their alleged involvement in the plot and convicted and four were hanged shortly thereafter as a result of some of the nation s most famous trials Booth s crime has ensured his notoriety but it has also overshadowed his life and career not to mention his Civil War activities and the evolution of his plot
