Unleashing The Storm Shay Rucker,2018-09-04 It all starts with a feeling Something isn't right hasn't been since love found its way inside Mama's Brood gets more wrong the moment Lucas Big Country Beaumont is captivated by the raw sensuality of Stormy Redmond Never one to be controlled by anything as deceptive as a woman's nature Big Country relies on a tried and true system to ensure his dealings with women remain relegated to mutually beneficial transactions that end when he says they end Or so it was before that feeling Now faced with the consequences of one unfortunate decision and a past that will no longer be ignored Big Country struggles to contain the truth of his nature lest it destroys everyone he cares about including Stormy the one woman capable of showing him why a man would be willing to die for something as foolish as love *Elusive Flame of Love* Valentina Luellen,1984 **An Immigrant's Poetic Medley** Steve Montanaro,2020-12-11

This book contains a collage of rhymes sprinkled and interjected with the author's own viewpoint and idealism although some readers may find a few of them to be a bit provocative or at least dubitable It is penned with simplicity and clearness by an immigrant whose parents seeking a better life for themselves and their children were finally allowed to set foot on this free and noble land It was September 2 1958 This volume also includes some of his artwork which besides his love for writing has always been his passion He is a self-taught artist who works with mixed mediums including oils acrylics and pastels *The Golden Wheel* Paul Hemenway Altrocchi, MD,2007-07-09 *The Golden Wheel* is Julia Cooley Altrocchi's fourth poetry anthology upon which she was working when she died at age 79 The short poems chosen exemplify the broad spectrum of Julia's aesthetic interests love nature optimism philosophic reflection the grandeur of history and travel modern youth and the meaning of Life The editors a son and a granddaughter have enriched this anthology with a sampling of her youthful poetry as well as two powerful long narrative poems in their entirety *Black Boat* which describes one of World War II's least known American racial injustices and *Chicago Epic City* for which she won at age 75 first prize in Poet Lore's National Narrative Poem Contest This collection of poetry illuminates the evolution and full sweep of Julia Cooley Altrocchi's literary creativity and artistry The Insidious Dr. Fu-Manchu Sax Rohmer,1913 *The Governess and Other Stories* Stefan

Martin,2011-07-15 The fictitious town of Toad Lagoon in northern New York is the setting for this story How one family encountered relentless bullying and hazing directed towards two of their children First the parents confronted local administrators to quell the attacks and later state officials And everywhere they saw this response Delay finger pointing lassitude and an unwillingness to fight the problem So we ask two questions 1 Why are our leaders so disinclined to act 2 What then must be done Luke 3 10 When the ACLU helped to give adult size powers to teenagers some twenty years ago it set in motion a series of forces which would change our nations high schools fundamentally The complete abolition of all physical or emotional force that might be metered upon any student meant that he once he had done something bad could only be encouraged not to do it again Important tools meant to compel obedience were lost and here St Joseph lost his hammer though I must admit that in real life he would have been such a careful carpenter as to never lose his tools

Adventures of the Comte de la Muette During the Reign of Terror Bernard Capes,1898 *The Eagle* ,1908 *Dr. Fu Manchu Trilogy* Sax Rohmer,2023-12-26 The Dr Fu Manchu Trilogy is a seminal work in the realm of early 20th century literature that intricately explores themes of imperialism xenophobia and the dichotomy of civilization versus barbarism Comprising three interwoven tales the trilogy invites readers into the nefarious machinations of the titular character Dr Fu Manchu a brilliant and sinister criminal mastermind Rohmer employs a melodramatic literary style rich in vivid descriptions and suspenseful pacing reflecting the anxieties of its time particularly in its portrayal of the East as both alluring and threatening The work sits within the broader context of the era s fascination with Orientalism capturing the intrigue and paranoia about Eastern cultures during a period of British imperial expansion Sax Rohmer originally named Arthur Henry Sarsfield Ward found inspiration in the societal fears and racial prejudices prevalent during his time His interest in mystique and the sinister aspects of character development culminated in the creation of Fu Manchu a character that both epitomizes and critiques contemporary stereotypes about Asia Rohmer s works steeped in his experiences and perceptions reveal a complex interplay of fascination and fear which undoubtedly influenced his half Chinese antagonist I highly recommend the Dr Fu Manchu Trilogy for aficionados of classic literature crime fiction and those interested in the socio cultural dynamics of
