Elvis Commemorative Edition:

Let's Rock! Richard Aquila, 2016-10-28 Rock roll was one of the most important cultural developments in post World War II America yet its origins are shrouded in myth and legend Let s Rock reclaims the lost history of rock roll Based on years of research as well as interviews with Bo Diddley Pat Boone and other rock roll pioneers the book offers new information and fresh perspectives about Elvis the rise of rock roll and 1950s America Rock roll is intertwined with the rise of a post World War II youth culture the emergence of African Americans in society the growth of consumer culture technological change the expansion of mass media and the rise of a Cold War culture that endorsed traditional values to guard against communism Richard Aquila s book demonstrates that early rock roll was not as rebellious as common wisdom has it The new sound reflected the conservatism and conformity of the 1950s as much as it did the era s conflict Rock roll supported centrist politics traditional values and mainstream attitudes toward race gender class and ethnicity The musical evidence proves that most teenagers of the 1950s were not that different from their parents and grandparents when it came to basic beliefs interests and pastimes Young and old alike were preoccupied by the same concerns tensions and insecurities Rock roll continues to permeate the fabric of modern life and understanding the music s origins reminds us of the common history we all share Music lovers who grew up during rock roll s early years as well as those who have come to it more recently will find Let s Rock an exciting historical and musical adventure *American Symbols Commemorative Edition* Debbie Sennett, 2002 Since the terrorist attack of September 11th America has been filled with clouds of evil They have darkened our reason and covered us with ashes of anger How do we sort out our feelings of revenge and retaliation with those of understanding compassion and love Some of us believe knowledge of American history will give us the insight and maturity that we need to help our nation through this war on terrorism American citizens need to understand the basic principles of democracy and freedom because they must know what we fight for Americans need to rededicate themselves to the cause of freedom to face the future Freedom should not be taken for granted because there are those who would take it from us People need to understand that some governments terrorize and abuse their people These governments intentionally control their people by keeping them oppressed and ignorant The history of our country is great but as Thomas Jefferson warned If a nation expects to be ignorant and free it expects what never was and never will be A recent alarming ACTA report which polled seniors at the nation s top 55 colleges indicates that we have a generation of Americans who are historically illiterate The survey revealed that almost half would fail the basic test in American history required for immigrants who seek citizenship in the United States *American Symbols Commemorative Edition* has the common information about the different state flowers birds and trees as well as information about the many new symbols which the states have enacted which includes their scientific names and dates of inception it also includes the active and colorful history of each state and interesting facts and trivia about the states *Rock & Roll in Kennedy's America* Richard Aquila, 2022-11-29 The author tells an unconventional history

of rock roll in the early 1960s one that argues that Buddy Holly's death in 1959 was not the day the music died that teenagers of the early 1960s were not as rebellious as we'd like to believe and that the consensus politics and Cold War culture of this era were much broader based than we usually assume *Holden vs Ford Commemorative Edition* Steve Bedwell, 2024-07-02 Celebrates Australia's greatest automotive rivalry Holden versus Ford Ford versus Holden Red versus Blue Blue versus Red Even the order in which you say these two precious words marks you for life as to which side of the white line you drive on Going straight to the heart of what it means to be Australian this book is a must have addition to any Ford or Holden lover's bookshelf Loyalty faith competition and love is expressed through two brands of motor car Never before has this nation dividing topic been faced head on and written about in such a detailed and humorous way Holden vs Ford Commemorative Edition includes a comprehensive list of all the Ford and Holden models released since the beginning of the twentieth century to the mid 1980s It covers everything from the panel van craze during the 1970s to the Great Race at Philip Island Mt Panorama and the glory days of other Ford versus Holden racing victories With over 300 photos and great design Holden v Ford is a full throttle car book and the perfect Father's Day gift book **Dr. Strangelove's America** Margot A. Henriksen, 2023-04-28 Did America really learn to stop worrying and love the bomb as the title of Stanley Kubrick's 1964 film Dr Strangelove would have us believe Does that darkly satirical comedy have anything in common with Martin Luther King Jr's impassioned I Have a Dream speech or with Elvis Presley's throbbing I'm All Shook Up In Margot Henriksen's vivid depiction of the decades after World War II all three are expressions of a cultural revolution directly related to the atomic bomb Although many scientists and other Americans protested the pursuit of nuclear superiority after World War II ended they were drowned out by Cold War rhetoric that encouraged a culture of consensus Nonetheless Henriksen says a culture of dissent arose and she traces this rebellion through all forms of popular culture At first artists expressed their anger anxiety and despair in familiar terms that addressed nuclear reality only indirectly But Henriksen focuses primarily on new modes of expression that emerged discussing the disturbing themes of film noir with extended attention to Alfred Hitchcock and science fiction films Beat poetry rock n roll and Pop Art Black humor became a primary weapon in the cultural revolution while literature movies and music gave free rein to every possible expression of the generation gap Cultural upheavals from flower power to the civil rights movement accentuated the failure of old values Filled with fascinating examples of cultural responses to the Atomic Age Henriksen's book is a must read for anyone interested in the United States at mid twentieth century Did America really learn to stop worrying and love the bomb as the title of Stanley Kubrick's 1964 film Dr Strangelove would have us believe Does that darkly satirical comedy have anything in common with Martin Luther King Jr's impassioned *Tower Stories: An Oral History of 9/11 (20th Anniversary Commemorative Edition)* Damon DiMarco, 2021-08-17 Damon DiMarco's Tower Stories An Oral History of 9/11 20th Anniversary Commemorative Edition eternally preserves a monumental tragedy in American history through the voices of the people who were in New York City

Consumed Nostalgia Gary Cross, 2015-09-08 Nostalgia isn t what it used to be For many of us modern memory is shaped less by a longing for the social customs and practices of the past or for family heirlooms handed down over generations and more by

childhood encounters with ephemeral commercial goods and fleeting media moments in our age of fast capitalism This phenomenon has given rise to communities of nostalgia whose members remain loyal to the toys television and music of their youth They return to the theme parks and pastimes of their upbringing hoping to reclaim that feeling of childhood wonder or teenage freedom Consumed nostalgia took definite shape in the 1970s spurred by an increase in the turnover of consumer goods the commercialization of childhood and the skillful marketing of nostalgia Gary Cross immerses readers in this fascinating and often delightful history unpacking the cultural dynamics that turn pop tunes into oldies and childhood toys into valuable commodities He compares the limited appeal of heritage sites such as Colonial Williamsburg to the perpetually attractive power of a Disney theme park and reveals how consumed nostalgia shapes how we cope with accelerating change Today nostalgia can be owned collected and easily accessed making it less elusive and often more fun than in the past but its commercialization has sometimes limited memory and complicated the positive goals of recollection By unmasking the fascinating idiosyncratic character of modern nostalgia Cross helps us better understand the rituals of recall in an age of fast capitalism **Presleyana VI - the Elvis Presley Record, CD, and Memorabilia Price Guide** Jerry Osborne,2007-07
