MARILYN MONROE DIANA PRINCESS OF WALES ELVIS PRESLEY JOHN F KENNEDY MICHAEL JACKSON These five deaths stopped the whole world in its tracks and continue to fascinate and intrigue to this day If people famously remember where they were when JFK was assassinated many also recall where they were and what they were doing when Elvis Princess Diana and Michael Jackson died As for Marilyn Monroe the candle flickered out long ago but only now can the truth be told about how and why she died After combing through thousands of recently declassified FBI files interviewing key witnesses crime analysts and forensic experts during years of research investigative writer David Gardner has unearthed new information that will transform the way we look at these iconic tragedies His book reveals that Elvis Presley died not as a self obsessed caricature but as a genuine hero who may have signed his death warrant going undercover for the FBI how Marilyn Monroe s secret affairs with JFK and his brother Robert left her in the crosshairs of a lethal conspiracy why Princess Diana s death was no accident who ordered President John F Kennedy s assassination and the shocking truth about Michael Jackson s prescription drug addiction and those who sought to gain from it For the first time Legends provides many of the answers that have been so elusive for so long while explaining what it was about these enduring legends that made them so memorable **The Virgin Encyclopedia of Fifties Music** Colin Larkin,2002 All the facts and informed opinion that you need on the artists who made the history of this decade are contained in this single volume distilled from The Virgin Encyclopedia of Popular Music universally acclaimed as the world s leading source of reference on rock and pop history

The Pop Musical Alberto Mira,2021-11-09 After Hollywood and Tin Pan Alley s iron grip on the movie musical began to slip in the face of pop s cultural dominance many believed that the musical genre entered a terminal decline and finally wore itself out by the 1980s Though the industrial model of the musical was disrupted by the emergence of pop the Hollywood musical has not gone extinct Many Hollywood productions from the 1960s to the present have revisited the forms and conventions of the classic musical except instead of drawing from showtunes and jazz standards they employ the styles and iconography of pop Alberto Mira offers a new account of how pop music revolutionized the Hollywood musical He shows that while the Hollywood system ceased producing large scale traditional musicals different pop strains disco rock n roll doo wop glam and hip hop renewed the genre giving it a new life While the classical musical presented a world light on conflict defined by theatricality and where effortless talent can shine through the introduction of pop spurred musicals to address contemporary social and political conditions Mira traces the emergence of a new set of themes such as the painful hard work depicted in *Dirty Dancing* 1987 the double edged fandom of *Velvet Goldmine* 1998 and the racial politics of *Dreamgirls* 2006 to explore why the Hollywood musical has found renewed relevance
