

Embodiment

**We are caught in life
to a set time and place
from which there is
just sometimes escape,**

**from our beginning
we are like animals in a cage
and although the bars
are usually transparent**

**we are bounded still,
we are caught into our bodies,
are sometimes limited to a set class,
a set occupation and work,**

**we are limited to that which destiny does bring,
while continually time is running out,
while the years do circle out from us
until we do notice someone else**

**that has been decimated by life,
that still tries
to stand staggering,
tries to go on
with life at a time of destruction**

**and then we are reminded
at how much better our fate is,
that we are still
in the hands of God.**
