**Embracing the Mysterious God** James Emery White, 2003 One of Christianity Today s 2003 Books of the Year We give ourselves to God and then struggle profoundly with the relationship We are drawn in and then want to flee in fear We move from faith to doubt trust to confusion intimacy to a feeling of abandonment Coming to faith is like falling in love It can be a head over heels rush to the altar or a slow acceptance that slips into a heartfelt embrace Either way eventually romance crashes headlong into reality Often we make things worse either by feeling guilty about our struggles with doubt or by trying to dismiss them as unimportant or insignificant We may even become resentful that God does not simply step in to clear up our confusion When we find ourselves in any of these predicaments the only way out is to face our uncertainties about God deliberately and directly In Embracing the Mysterious God James Emery White explores these struggles we all face struggles of heart soul mind and strength And struggles to love our neighbors as ourselves Here you will find your tough questions about God addressed Better still you will find the way to renewed faith Furious Pursuit Tim King, Frank Martin, 2010-03-24 You re not defined by what you ve done You re defined by Who pursues you What if you could believe that God not only chases you but has yet to leave your side for a second has yet to go a minute without courting you whispering in your heart I m right here What if you could believe that God is never distant never out of reach never indifferent to what s going on in your life Would that make a difference in your relationship with him And what if you could go a step further and believe that God's pursuit has nothing to do with your level of faithfulness He is just as near and just as vigilant in his pursuit regardless of your dedication to the spiritual disciplines and in spite of your struggle with sin Because of his nature it is impossible for God not to pursue you In Furious Pursuit Tim King and Frank Martin invite you to lay down the smaller story of your life and instead tap into the Larger Story To begin today by allowing God to transform the nature of your relationship with him To stop chasing God and start embracing the Romance that is already well under way Begin today Open yourself to God's Furious Pursuit Companion workbook also available Furious Pursuit Workbook Tim King, Timothy R. Daniel Dapaah, 2024-08-19 The primary responsibility of the church its raison detre is to make disciples by sharing the good news of salvation and teaching believers to grow in maturity in Christ Matt 28 16 20 1 Cor 3 2 3 14 20 What does it mean to grow in discipleship and maturity in Christ What are the required ingredients for such growth and maturity to occur Answers to both questions are provided in the book you re about to read Growing in Discipleship is wide ranging in scope from biblical studies to systematic theology focusing on a sample of fundamental doctrines of the Christian faith The book is written for both new and old believers who are seeking a deeper engagement with and understanding of the good news of salvation in Christ Daniel Dapaah has broken down the complex theological concepts to present them in a concise and accessible format to readers who have no background in biblical studies Beginning seminarians will also find this book useful But true discipleship is more than an intellectual assent to the doctrines of the church It is also a personal commitment to the life and teachings of Christ It involves growing spiritually to reflect the image of Christ Latin Imago Dei The book includes an Individual or Group Exercise guide at the end of each chapter focusing on sample questions from the study a Personal Application for reflection and a Commitment to grow and mature in Christ through the enabling power of the Holy Spirit This book is a useful resource for individual and group Bible study The Lost World of Scripture John H. Walton, Brent Sandy, 2013-11-01 Walton and Sandy summarize what we know of orality and oral tradition as well as the composition and transmission of texts in the ancient Near East and the Greco Roman world and how this shapes our understanding of the Old and New Testaments The authors then translate these insights into a helpful model for understanding the reliability of Scripture Running with the Horses Larry Taylor Ph.D., 2013-10-15 We all have great intentions when it comes to raising our children We want them to succeed and above all to surrender their lives to the lordship of Christ As a father of four boys and a twenty five year veteran of school administration I understand these goals I also understand the busyness of daily lifehow days merge into weeks as hurried lifestyles spin out of control leaving us

wondering how our toddlers became teenagers This book introduces you to a simple biblically based plan for raising servant leaders for Christ Whether your child is eighteen months or eighteen years old this book will guide you through the process of preparation for the race that awaits him in this world We will walk through specific and practical things you can do to build a family plan Being deliberate and focusing on creating depth in your childs faith is the first step to preparing him or her to run with the horses If you have run with footmen and they have tired you out then how can you compete with horses If you fall down in a land of peace how will you do in the thicket of the Jordan Jeremiah 12 5 DiCello, 2007-01-01 Nothing so baffles the mind or staggers the soul than the reality and sheer intensity of human suffering How can we explain such widespread malevolence in a world ruled by a benevolent God What is the proper response to such pain and puzzlement Skeptics and believers alike are compelled to ask Why Some have advocated an overly confident and simplistic theodicy while others have retreated to a place of doubt or even unbelief But neither of these options will do Carmen DiCello urges that we reject both unwarranted confidence and outright skepticism favoring an approach in which human knowledge and human ignorance are held in tension Providing a helpful framework for thinking through these issues DiCello balances what we can know with what we can t showing that there is reason enough to believe along with ample cause to rest our hearts and minds in a good sovereign but also mystifying God Why provides spiritual and intellectual guidance for all who are willing to venture into these troubling waters and who desire to emerge with a realistic faith and a The Empty Chalice Joyce Surman, 2008-10 Drinking to the very dregs the chalice given it here is the sustaining hope remarkable and inspirational story of a soul that has found unexpectedly a heavenly sweetness in its bitterness After reading this book the reader is left to ponder the question Can I too drink the chalice offered me and find in it not bitterness but the sweetness of God's Will This account of a soul's ascent from the shadows of Gethsemane to the light of Tabor is therefore a shining beacon for our age pointing the way that we should go if we are to find that for which every human heart yearns true peace and perfect joy If you are a person in search of true peace and perfect joy especially if the fragile ship of your soul is being tossed amidst the tempestuous seas of sorrow and suffering you will find here an anchor to which to moor your soul in the radical reversal of the transforming union as described in this book **Do Love** Andrew Rankin, 2013-03-13 Were all love hacks but it doesn't have to be this way Jesus gave a new teaching on the eve of His crucifixion Love one another as I have loved you He said that His followers would be known for their love Yet few have experienced His love Fewer still actually love like Him As a recovering love hack Rankin knows firsthand the struggles of moving beyond feelings and good intentions into the reality of loving others through actions For love to become a way of life we need to follow Jesus down a clear path Do Love is a fresh call to establish love as the distinctive Christlike trait in our lives Seasons of the Soul Bruce Demarest, 2009-05-22 Spiritual formation professor and New Testament scholar Bruce Demarest helps us grasp the whole picture of the journey we re on with Christ that we might live our days with intention and keep moving toward

maturity in faith Using Scripture writings from our rich spiritual tradition and stories of present day believers walking the same path of faith Demarest leads us through the three main stages of the journey to become more like Christ The North Carolina Historical Review ,2006 Jesus of Nazareth Stanley Alfred Mellor,1926 The Message and Ministrations of Dewan Bahadur Sir R.
