THE EMERGENCE OF GERMAN IDEALISM

*Edited by
Michael Baur and
Daniel O. Dahlstrom*

Emergence Of German Idealism

L Manion

Emergence Of German Idealism:

The Emergence of German Idealism Michael Baur, Daniel O. Dahlstrom, 1999 The volume also includes a chronology of the major works in the development of German Idealism as well as a new translation of the seminal and still controversial essay *The Earliest System Programme of German Idealism* BOOK JACKET *The Transformation of Reason: Studies on System, Myth, and History in German Idealism* Diogo Ferrer, 2024-07-01 Critique skepticism conflict incompleteness nothingness irrational abyss evil and even genocide That is what German idealism is also about Trying to chart human reason as an architectural system Kant Fichte Hegel and Schelling uncovered that the most significant problems lie beneath the ground in the foundations Can reason survive the discovery of what lies at its depths And should it This book ventures into these foundations addressing the keen philosophical innovations of German idealists Through comparative and development studies it presents fresh interpretations of how these leading thinkers reconstructed reason on unexplored territories The greatest hazard was triggering an enduring inversion of values **The Age of German Idealism** Robert C. Solomon, Kathleen Marie Higgins, 2003 German Idealism was one of the most fertile and important movements in the history of Western philosophy This volume includes eleven chapters on all aspects and the period's most influential philosophers including Kant and Hegel *Studies in Philosophy and the History of Philosophy* John Kenneth Ryan, 2011 *German Idealism* Frederick C. Beiser, 2008-03-31 One of the very few accounts in English of German idealism this ambitious work advances and revises our understanding of both the history and the thought of the classical period of German philosophy As he traces the structure and evolution of idealism as a doctrine Frederick Beiser exposes a strong objective or realist strain running from Kant to Hegel and identifies the crucial role of the early romantics Holderlin Schlegel and Novalis as the founders of absolute idealism **Revolution, Idealism and Human Freedom: Schelling Hölderlin and Hegel and the Crisis of Early German Idealism** Franz Gabriel Nauen, 2012-12-06 In this study I will present the intellectual development of Schelling Holderlin and Hegel during their formative years Because of their similar social origins the early thought of these young Swabians during the 1790s should be treated as a unit Their experience as roommates at the Stift in Tübingen and their close intellectual fellowship throughout the nineties made each extremely responsive to the others ideas As members of the political elite in Württemberg their intellectual assumptions were profoundly affected by the crisis of Württemberg and German political society and by the events of the French Revolution in a way explicable only in the light of their Swabian heritage So for example seen in the context of Holderlin's and Schelling's thinking the genesis of Hegel's earliest mature philosophical assumptions appears to be not so much an event in the history of philosophy as a specific solution to the problems raised by the crisis of his society The crucial role of Holderlin in the history of German Idealism should also become apparent as a result of this study For reasons developed in the following Holderlin's thinking bridged the gap not only between Kantianism and the new philosophy which was to come to fruition in Hegel's mature thought but also

between the republican and the nationalist phase in the history of German political thought **The German Idealism**

Reader Marina F. Bykova, 2019-11-28 The German Idealism Reader is a comprehensive account of the key ideas and arguments central to German idealists and their immediate critics Expanding the scope beyond the four best known representatives Kant Fichte Schelling and Hegel and including those thinkers often considered as secondary but who are also crucial for understanding of this period the Reader presents an influential era in all its philosophical complexity Through its broad coverage of philosophers and their texts it offers a complete dynamic picture of the intellectual period and features Selections from key texts by Kant Fichte Schelling and Hegel Readings from Reinhold Schiller Maimon Schulze Jacobi Holderlin and Novalis Responses to and critiques of German idealist thought by late nineteenth century thinkers such as Schopenhauer Feuerbach Marx Kierkegaard and Nietzsche Selections extending beyond the typical focus on epistemology and metaphysics to include ethics religion society and art A general introduction and timeline together with a chronology and bibliography to each thinker and introductory overviews to both thinkers and text With readings carefully selected to illustrate thinkers in dialogue with each other The German Idealism Reader provides a better appreciation of the philosophical discussions central to the period This is essential reading for all students of German idealism and the nineteenth century German and Continental philosophies as well as to those studying the important movements and periods of European intellectual history **Fichte, German Idealism, and Early Romanticism** Daniel Breazeale, Tom

Rockmore, 2010 This volume of 23 previously unpublished essays explores the relationship between the philosophy of J G Fichte and that of other leading thinkers associated with German Idealism and the early Romantic movement Several papers explore the broader question of Fichte's relationship and contribution to German idealism and German romanticism in general while others offer comparative studies of the relationship between Fichte's writings and those of Leibniz Kant Schelling Hegel Friedrich Schlegel Novalis Schleiermacher and Wilhelm von Humboldt Taken collectively this set of essays provides anglophone readers with a new and historically accurate understanding of the origin development and reception of Fichte's philosophy in the context of its own era and in relationship to the most important intellectual movements of the time The authors include both well established and internationally recognized experts in their fields as well as younger scholars with fresh and challenging perspectives to offer This volume proposes a new interpretation of the history of German idealism in general and of the place therein of Fichte's Wissenschaftslehre It emphasizes the intimate connection between transcendental idealism and German romanticism and shows how developments within each of these intellectual movements reflected and in turn influenced developments within the other Finally it sheds new light on Fichte's own philosophical development and does so by relating the various stages of his writings to other contemporary movements and authors

The Discovery of Historicity in German Idealism and Historicism Peter Koslowski, 2005-03-04 German Idealism develops its philosophy of history as the theory of becoming absolute and as absolute knowledge Historicism also originates from Hegel's

and Schelling's discovery of absolute historicity as it turns against Idealism's philosophy of history by emphasizing the singular and unique in the process of history German Idealism and Historism can be considered as the central German contribution to the history of ideas Since Idealism became most influential for modern philosophy and Historism for modern historiography they are analyzed in this volume in a collaboration of philosophers and historians German Idealism is presented in Schelling and its critics Schlegel Baader and Nietzsche Historism in Ranke Droysen Burckhardt and Treitschke The volume further presents the impact of Idealism and Historism on present German approaches to the philosophy of history and outlines the debates on the possibility of a philosophy of history and on the methodology of the historical sciences

On the History of Modern Philosophy F. W. J. von Schelling, 1994-05-27 F W J Schelling's *On the History of Modern Philosophy* surveys philosophy from Descartes to German Idealism and shows why the Idealist project is ultimately doomed to failure German Idealist Philosophy Various, 1997-11-01 The great quest for systematic knowledge in the decades around the year 1800 gave rise to one of the most spirited eras in the history of philosophical exploration exemplified by the school of German Idealist philosophy With confidence and sweeping aspirations the Idealist philosophers Immanuel Kant Johann Fichte Friedrich Schelling and Georg Hegel set out to make metaphysics a science to explore the nature of the self and man's role in society to examine the essence of the natural world and to develop a vision of world history and the progressive consciousness of man In this masterful introduction to German Idealism Rudiger Bubner brings together key texts and lesser known extracts from the works of these four powerful intellects together with insightful overviews of each philosopher and an account of the movement as a whole For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Friedrich Schlegel and the Emergence of Romantic Philosophy** Elizabeth

Millán, 2012-02-01 This book addresses the philosophical reception of early German Romanticism and offers the first in depth study in English of the movement's most important philosopher Friedrich Schlegel presenting his philosophy against the background of the controversies that shaped its emergence Elizabeth Millán Zañabert begins by distinguishing early German Romanticism from classical German Idealism under which it has all too often been subsumed and then explores Schlegel's romantic philosophy and his rejection of first principles by showing how he responded to three central figures of the post-Kantian period in Germany Jacobi Reinhold and Fichte as well as to Kant himself She concludes with a comprehensive critique of the aesthetic and epistemological consequences of Schlegel's thought with special attention paid to his use of irony *A Short History of German Philosophy* Vittorio Hösle, 2018-12-04 The story of German philosophy from the Middle Ages to today In an accessible narrative that explains complex ideas in clear language Vittorio Hösle traces the evolution of

German philosophy and describes its central influence on other aspects of German culture including literature politics and science from the Middle Ages to today A Short History of German Philosophy addresses the philosophical changes brought about by Luther's Reformation and then presents a detailed account of German philosophy from Leibniz to Kant the rise of a new form of humanities and the German Idealists The following chapters investigate the collapse of the German synthesis in Schopenhauer Marx and Nietzsche Turning to the twentieth century the book explores the rise of analytical philosophy the foundation of the historical sciences Husserl's phenomenology and its radical alteration by Heidegger the Nazi philosophers Gehlen and Schmitt and the main West German philosophers after 1945 Arguing that there was a distinctive German philosophical tradition from the mid eighteenth century to the mid twentieth century the book closes by examining why that tradition largely ended in the recent past A philosophical history remarkable for its scope brevity and lucidity this is an invaluable book for students of philosophy and anyone interested in German intellectual and cultural history

The Discovery of Historicity in German Idealism and Historicism Peter Koslowski, 2009-09-02 German Idealism develops its philosophy of history as the theory of becoming absolute and as absolute knowledge Historicism also originates from Hegel's and Schelling's discovery of absolute historicity as it turns against Idealism's philosophy of history by emphasizing the singular and unique in the process of history German Idealism and Historicism can be considered as the central German contribution to the history of ideas Since Idealism became most influential for modern philosophy and Historicism for modern historiography they are analyzed in this volume in a collaboration of philosophers and historians German Idealism is presented in Schelling and its critics Schlegel Baader and Nietzsche Historicism in Ranke Droysen Burckhardt and Treitschke The volume further presents the impact of Idealism and Historicism on present German approaches to the philosophy of history and outlines the debates on the possibility of a philosophy of history and on the methodology of the historical sciences

German Idealism's Trinitarian Legacy Dale M. Schlitt, 2016-10-20 Dale M Schlitt presents a study of trinitarian thought as it was understood and debated by the German Idealists broadly engaging Schelling's philosophical interpretations of Trinity as well as Hegel's and analyzing how these Idealist interpretations influenced later philosophers and theologians Divided into different sections one considers nineteenth century central Europeans Philipp Marheineke Isaak August Dorner and Vladimir Sergeyevich Solovyov under the rubric testimonials Another section studies twentieth century Germans Karl Barth Karl Rahner and Wolfhart Pannenberg who share family resemblances with the Idealists and a third addresses the work of twentieth and twenty first century Americans Robert W Jenson Catherine Mowry LaCugna Joseph A Bracken and Schlitt himself whose work reverberates with what Schlitt terms transatlantic Idealist echoes The book concludes with reflection on the overall German Idealist trinitarian legacy noting several challenges it offers to those who will pursue creative trinitarian reflection in the future

German Philosophy 1760-1860 Terry Pinkard, 2002-08-29 In the second half of the eighteenth century German philosophy dominated European philosophy changing the way Europeans and people all over the world

conceived of themselves and thought about nature religion human history politics and the structure of the human mind In this rich and wide ranging book Terry Pinkard interweaves the story of Germany changing during this period from a loose collection of principalities into a newly emerged nation with a distinctive culture with an examination of the currents and complexities of its developing philosophical thought He examines the dominant influence of Kant with his revolutionary emphasis on self determination and traces this influence through the development of romanticism and idealism to the critiques of post Kantian thinkers such as Schopenhauer and Kierkegaard His book will interest a range of readers in the history of philosophy cultural history and the history of ideas Terry Pinkard is professor of Philosophy at Northwestern University and is the author of the acclaimed *Hegel A Biography* Cambridge 2000 He is honorary Professor of the Philosophy Faculty of Tübingen University Germany and serves on the advisory board for the *Zeitschrift für Philosophische Forschung*

Understanding German Idealism Will Dudley, 2014-12-05 *Understanding German Idealism* provides an accessible introduction to the philosophical movement that emerged in 1781 with the publication of Kant's monumental *Critique of Pure Reason* and ended fifty years later with Hegel's death The thinkers of this period and the themes they developed revolutionized almost every area of philosophy and had an impact that continues to be felt across the humanities and social sciences today Notoriously complex the central texts of German Idealism have confounded the most capable and patient interpreters for more than 200 years *Understanding German Idealism* aims to convey the significance of this philosophical movement while avoiding its obscurity Readers are given a clear understanding of the problems that motivated Kant Fichte Schelling and Hegel and the solutions that they proposed Dudley outlines the main ideas of transcendental idealism and explores how the later German Idealists attempted to carry out the Kantian project more rigorously than Kant himself striving to develop a fully self critical and rational philosophy in order to determine the meaning and sustain the possibility of a free and rational modern life The book examines some of the most important early criticisms of German Idealism and the philosophical alternatives to which they led including romanticism Marxism existentialism and naturalism **The Palgrave**

Handbook of German Idealism and Existentialism Jon Stewart, 2020-08-25 This Handbook explores the complex relations between two great schools of continental philosophy German idealism and existentialism While the existentialists are commonly thought to have rejected idealism as overly abstract and neglectful of the concrete experience of the individual the chapters in this collection reveal that the German idealists in fact anticipated many key existentialist ideas A radically new vision of the history of continental philosophy is thereby established one that understands existentialism as a continuous development from German idealism Key Features Operates at both the macro level and micro level treating both the two schools of thought and the individual thinkers associated with them Explores the relations from shifting perspectives by examining how the German idealists anticipated existentialist themes and how the existentialists concretely drew on the work of the idealists Meticulously uncovers and documents many little known points of contact between the German idealists

and the existentialists Includes often neglected figures such as Jacobi and Trendelenburg This Handbook is an essential resource for researchers and advanced students interested in thinking critically about the broad development of continental philosophy Moreover the individual chapters on specific philosophers contain a wealth of information that will compel experts in the field to reconsider their views on these figures

The Austrian Dimension in German Intellectual History David S. Luft, 2021-05-20 Tracing Austrian intellectual life from Maria Theresa to Hitler's annexation of Austria and Czechoslovakia this innovative book offers a precise and engaging account of Austrian intellectual history since the Enlightenment Here David S Luft begins by locating his narrative in the region known as Cisleithanian Austria the area to the west of the Leitha River that was the basis for the modern Austrian state after 1740 Chapter 2 provides a history of the German speaking intellectual life of these central lands of the Habsburg Monarchy Austria and Bohemia from the Enlightenment to annexation by Nazi Germany Chapters 3 to 5 identify the most important philosophers writers and social thinkers who contributed to Austrian intellectual life in the period between 1740 and 1938 1939 and address the intellectual significance of their work Elegantly written and meticulously researched Luft's book brings out the contributions of major figures such as Wittgenstein Hofmannsthal Musil Kafka Rilke and Freud but also draws attention to less well known figures such as Bolzano Brentano Grillparzer Stifter Broch and Hayek

Current History ,1924

Emergence Of German Idealism Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Emergence Of German Idealism free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Emergence Of German Idealism free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Emergence Of German Idealism free PDF files is convenient,

its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Emergence Of German Idealism. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Emergence Of German Idealism any PDF files. With these platforms, the world of PDF downloads is just a click away.
