Meyer, 2010-09-16 *Journey to Victory* is a uniquely compiled story as it incorporates the author's education and experience along with learned facts together in this compelling piece of literature *Journey to Victory* opens when the main character Naomi makes her way to the store where her best friend Sandy is a cashier Naomi collapses and is rushed to the emergency room of the local hospital to determine the cause In the confusion no one close to Naomi is told up front what is already known and an important clue goes unnoticed for some time Joshua Cantor Naomi's boyfriend has been planning a day to remember which would be complete when Naomi agrees to become his fiancée His plans go awry when he is told to come to the hospital quickly for Naomi wants only to talk to him After pushing through a barrage of questions and staff enforced barriers Josh finds Naomi in a sea of white with cords and tubes protruding out from Naomi and from under the covers Josh slowly begins to put the pieces together when Naomi demands the privacy to talk to him alone Each person in this drama carries unique qualities and characteristics which help to define who they are individually Naomi for example is normally a sweet joyful person who tilts her head when waiting for answers and is often bothered with and by her hair However you will be surprised at her bold don't ask attitude when she is under stress or fearful You will get to KNOW each person well as you read further and further into the story line There are several strong threads that weave this 16 chapter story into its beautiful masterpiece First it displays the many intense emotional mental physical and spiritual highs and lows that any person who faces crisis will move through I use the experiences from personal trauma loss and other life altering events as well as the concepts I learned from a book I once read during my years of formal education It taught of the 5 stages of grief I too went through the stages of denial anger bargaining depression and finally acceptance This will weave an emotional corridor toward Naomi's healing The story proceeds to blossom as Josh and Sandy as well as some others stand side by side with her in realizations meditations and encounters and often the distractions plummet and spiritual charges that flood her stormy life into victory These people could not take away Naomi's pain sleepless nights and memories However they could sit with her walk beside her and support her They would let her know beyond the shadow of doubt that she is not alone and she is well loved Best of all it reflects what TRUE unaltered agape love is when her boyfriend never gives up never fades away and never calls it quits

Secondly the reader will sense their own immediate presence with Naomi as she sits in the police station waiting to identify the criminal Booklovers will shiver when they suddenly feel the same sensations that Naomi experiences in the sanctuary of an empty church To those who are walking through their own valley you may adopt some of Naomi s questions realizations and meditations along the way Naomi will fill each heart with the pain of fear the joys of the momentary relief and the sadness of setback Often the reader will feel as though they are right there taking each step toward victory Next I have interlaced the truths found in the Holy Word of God within every occasion in the pages of this gripping story The truth that God is in control The realization that NO ONE is too bad or lost to receive the saving grace of God And equally important the steps to salvation are found carefully placed within the chapters While this Christian fiction drama holds the attention of those who walk with Jesus Christ it compels everyone to contemplate the gospel found within You will meet Stacy whom Naomi disciples She cares for someone els **The London Journal: and Weekly Record of Literature, Science, and Art** ,1865 **Dramatic Mirror of Motion Pictures and the Stage** ,1917
