**The Elf Legacy - Book Five of The Magi Charter** Jordan David, 2014-09-07. Time marches on. Santas and Elves come and go at the North Pole complex. For some the reasons they choose to leave are personal; for others it's a dismissal. Santa's annual Mission must never fail despite how each passing year adds complexity amidst a world plagued by endless wars and upheavals. The denizens of the North are not secluded from the human world's problems. The complex is not the utopia it was intended to be. Those who call this place home must come to terms with the turbulence of history and not allow personal issues to disrupt their commitments. Long before Mistletoe Green came along, there was another far sinister elf who used the marvels of the North Pole for her own agenda. At the peril of both Santa and elf Anna Tetsu and Hilda will each face challenges that threaten their legacies and centuries-old friendships. About the series *The Magi Charter*.
