Scripture Alive in Classroom with Drama Sandra Watters, 2015-01-13 Traditional teaching materials for elementary grades Bible stories, pictures and fill in the blanks become boring for students as they reach the fifth grade in Sunday school. They are ready to start using their own reading skills and for an introduction to expressing themselves through performing arts drama. These Bible stories are directly from Scripture allowing children to learn Scripture while acting it out in simple, easy to make costumes. They will be excited to use this new method of learning weekly and eager to arrive in your class each week to help set up the staging. With forty-two Old Testament and twenty-six New Testament stories presented in drama form, you'll have more than enough to choose from to make your lesson for each week come alive. And the students will never forget the stories because they were a part of them.

WELL OF SINS Richard King & Bonnie King, 2014 All civilizations have a story or myth of an Armageddon, a great war where good and evil will clash fighting for the fate of the Universe. Some say good will triumph, others say not. In the time of Troy, three god-forged items were crafted. None of the gods who made these artifacts knew of the vital role each will play in that battle until history has molded them to its own needs. From Troy through Moses and to the Emperors of Rome, these items have been influenced by the sins and virtues of those who held them and in

return they have influenced their holders From one hand to another they have been passed through the generations Only centuries after their making will their final purpose be known No one truly knows when Armageddon is supposed to begin but many believe it is right around the corner They may very well be right A time approaches where these artifacts will be sought whether for good or evil remains to be seen But to understand what these items are it must be told how they came to be Brought from Jerusalem to Samaria the Cup is guarded by the last Daughter of Arnavon But she has troubles of her own to worry about
