Costello, 2016-10-11 The perfect gift for music lovers and Elvis Costello fans telling the story behind Elvis Costello's legendary career and his iconic beloved songs Unfaithful Music his own initial almost comical steps in folk clubs and cellar dive before his first sessions for Stiff Record the formation of the Attractions and his frenetic and ultimately notorious third U.S. tour He takes readers behind the scenes of Top of the Pops and Saturday Night Live and his own show Spectacle on which he hosted artists such as Lou Reed Elton John Levon Helm Jesse Winchester Bruce Springsteen and President Bill Clinton The idiosyncratic memoir of a singular man Unfaithful Music Disappearing Ink is destined to be a classic *Elvis Day by Day 2019 - the Year in Review* Kees Mouwen, 2020-01-27 2019 was a year of many celebrations for Elvis Presley fans It marked the 50th anniversary of Elvis Presley's triumphant return to live performing and the release of two of his most iconic recordings Suspicious Minds and In The Ghetto This was celebrated with several milestone releases like the Elvis Live 1969 deluxe 11 CD box a vinyl re issue of From Elvis in Memphis and the sessions for that album on the American Sound 1969 5 CD set a Record Store Day 2 LP and the Elvis Now In Person book 2019 also marked the 60th anniversary of the release of the classic A Date With Elvis LP his trip to Paris and much more The Follow That Dream collectors label celebrated its 20th anniversary Sadly 2019 also marks the 42nd anniversary of his untimely death Elvis Presley has almost been gone for longer than he was among us but he left a permanent mark His cultural impact may very well have been more visible and alive during the last 42 years than when he was actually alive And so is the Elvis world today The almost 500 news updates on Elvis Day By Day this year about the many new books CDs LPs movie releases on DVD Blu ray and in movie theaters appearances on music and movie charts still topping some of those and still playing sell out arenas clearly show that Elvis Presley still matters today Especially when younger generations discover his music through digital releases and Spotify and start to buy re issues of his original work on old fashioned vinyl Today's Elvis news primarily finds its way to fans through online channels and in summarized form in newsletters and fan club magazines Based on the Elvis Day By Day news blog and with additional and exclusive in depth reviews by Nigel Patterson and Piers Beagley from the Elvis Information Network website this book compiles a comprehensive and illustrated chronology of everything Elvis from 2019 in one physical reference book **Elvis Presley** Frank D'Onofrio, 2020-12-26 Elvis Presley rocketed from oblivion and became one of the greatest influences of the 20th Century It is the story of what happened Without a doubt in early 1954 Elvis Presley was the least likely to achieve stardom A poor teenage truck driver for a local electric company coming from a Memphis housing project In 1954 Rock and Roll music was just in its embryo stage not yet defined as a musical genre Evolving from black music emanating from the black owned nightclubs in the southern United States It was Called Rhythm and Blues R he became the Midwife of Rock and Roll Music tm Dewey's influence on Elvis and other contemporaries such as Buddy Holly and others has to date been overlooked in contemporary history On July 5th 1954 Elvis Presley arrived at the Memphis Recording Studios to perform a demo for owner and record producer Sam Phillips no relation to Dewey At that moment Elvis

had not sung a single note professionally He auditioned for hours without any success or glimmer of hope On the brink of ending his first recording session without success a nervous scared teenager paced the floor during a late break Nervously he just started to play chords to an old blues song called That s All Right Mama with a slight alteration of tempo and style That was when Lightning Struck Nervous young Elvis Presley playing to pass time thought no one was listening Playing the song in a slightly different way caught Sam Phillips by surprise Another person in the control room that night than Sam Phillips it is questionable if young Elvis Presley s career would have even started The book describes the early career of Elvis Presley The lightning storm started on July 5th 1954 and its terminal velocity on September 9th 1956 During the Ed Sullivan Show over 60 million people watched the coronation of Elvis Presley as the definitive King of Rock and Roll First coined by High school friend and local DJ Memphis Disc Jockey George Klein GK as The King of Rock and Roll It was an innocent but truthful description of what transpired the first two years of his career 1954 1956 But the road to the title had pitfalls Elvis The King of Rock and Roll describes why Elvis Presley earned and deserved this title Altering a trajectory of history in a single moment On July 5th 1954 Elvis Presley started a firestorm that transformed popular music while forever changing the landscape of the music industry A firestorm which would transform the world Elvis Presley The King of Rock and Roll puts the reader in the midst of it Within three years Elvis Presley went from the brink of a failed audition to the largest selling recording artist in the world The musical genre pioneered by Elvis and his contemporaries presented Rock Roll to a new audience Arguably helping bridge a cultural divide and would be a catalyst of change for generations You will feel the emotions of the young teenager and understand what caused the world s transformation Focusing primarily on the music events and people around him all catalysts to his success The unassuming public persona and demeanor of young Elvis Presley giving him the capacity to usher in the music of Rock Roll and changing the world forever Elvis Presley achieved fame with raw talent alone without any musical or financial pedigree In 2017 George Klein GK Reading my book excerpts in the Sirius XM Elvis Radio Studio said Frank no one has written this book the way you are writing it It has to be written This the story that has yet to be shared **Elvis recording sessions** Ernst Jørgensen,1981
