whereby he is able even to subdue all things unto himself He will argue for Christ's kingship that the work and merit of the Savior is both a current reality in subduing his enemies and a future reality in its completion In light of this he argues that if the Lord has honored you by adopting you into his family it behooves you to render your absolute service to the King of heaven Not only that you would see the delights surrounding the cross of Christ but also the wonders surrounding the crown of the King Not only that you would love the sweet Savior but also that you would heed his commands and his truth as the commanding King
