Embracing Grace L.D. Clark, 2015-12-12 The story of grace did not begin with the New Covenant It started with Gods first revelation of himself Grace and mercy are and have always been part of Gods character Mankind has not always enjoyed the fuller revelation of grace as given to this generation Author L D Clarks *Embracing Grace Where the Law Ends Grace Begins* explains the evolution of grace It is revealed in Genesis but generations who lived before Christ could not enjoy its fullness because wrath was upon every soul that sinned While the law of Moses temporarily stayed the execution of justice it did not offer soul salvation After Jesus bore Gods wrath for us all greater grace became Gods gift to us all It behooves us to know understand and avail ourselves to this new relationship with the Father through Jesus Christ Grace is part of the Fathers legacy to this generation *Embracing Grace Where the Law Ends Grace Begins* shows you how to revel in Gods grace and deepen your faith

Praying with the Church: Following Jesus Daily, Hourly, Today Scot McKnight, 2013-09-01 Scot McKnight best selling author of *The Jesus Creed* invites readers to get closer to the

heart of Jesus message by discovering the ancient rhythms of daily prayer at the heart of the early church This is the old path of praying as Jesus prayed McKnight explains and in that path we learn to pray along with the entire Church and not just by ourselves as individuals Praying with the Church is written for all Christians who desire to know more about the ancient devotional traditions of the Christian faith and to become involved in their renaissance today With his trademark style of getting right to the heart of theological concepts through practical witty and memorable examples from everyday life Scot invites readers to explore How Jesus prayed How the Psalms teach us to pray How Orthodox Christians pray How Roman Catholics pray How Anglicans pray How The Divine Hours of Phyllis Tickle teaches us to pray And how praying with the church is an essential part of spiritual formation For more information on Phyllis Tickle s Divine Hours click here **We not Me** Andy Matheson,2014-06-01 It is well known that individualism and consumerism are so pervasive that they have become the spectacles through which we view and understand our lives including our spirituality Sadly we keep these glasses on as we read our Bibles and in the process we allow our reading to reinforce our individualism Many readers and expositors of the Bible take verses without due concern for their context In the process verses that were originally intended to be understood within a community setting are made to mean something different from what their authors intended One of the most serious consequences is that passages which refer to our community life are made to reinforce our individualism This is not handling the Word of Truth correctly In We Not Me Andy Matheson argues that we need to embrace the perspective of the God who sees His vision is relational he sees with communal lenses Community is so core to God s nature and purposes that it undergirds everything that is implicitly inferred or explicitly stated on every page of the Bible If we can rediscover what it means to be a community the kind of community where all barriers are broken down and where our lives reflect the original vision of the gospel then we play a much more effective part in ushering in God s Kingdom **Holy Subversion (Foreword by Ed Stetzer)** Trevin Wax,2010-01-08 Christians are too often guilty of pledging their allegiance to the influential principalities and powers of this age rather than to Christ alone In Holy Subversion Trevin Wax challenges such behavior by urging a return to the subversive lifestyle of the earliest Christians Their proclamation and demonstration that Jesus is Lord directly opposed the Caesar worship of their day Today Christians in the West must choose between Jesus and our Caesars self success money leisure sex power What would it look like asks Wax if today s church reclaimed the communal subversive nature of the gospel intentionally undermining all contenders for our devotion How would the message that Jesus is Lord change our thinking about our jobs our families and our church participation Here this gifted pastor theologian offers help in taking our faith public dethroning modern day Caesars honoring the Lordship of Christ and understanding the church as the ultimate counterculture an embodiment of Christ s supremacy over all *40 Days Living the Jesus Creed* Scot McKnight,2008 McKnight inspires readers to try to daily fulfill the Jesus Creed to love God with every ounce of being The 40 readings reflect the essence of Christian love *Memories of Jesus* Robert B. Stewart,Gary R. Habermas,2010 A gathering

of scholarly essays in response and tribute to James D G Dunn s influential book *Jesus Remembered* followed by a response from Dunn himself **Can You Hear My Pain Now?** Michael G. Maness, Kevaughn Mattis, 2022-05-05 Pastoral care and its theology get a gentle boost from some of the best in the business of caring for the soul When a person hurts they often look to God Several pathfinders give new light from their specialties each one speaking powerfully uniquely and artfully from decades of experience Dr Amos Yong s article on disability forwards the amazingly helpful term temporarily able bodied Greek Orthodox Dr Vasileios Thermos and Roman Catholic Dr Robert Fastiggi enlighten next to the powerful testaments of Professor Godfrey Harold on South Africa and Dr Samuel Yonas Deressa on Ethiopia Each weathered author contributes universal insights into the grace of our great God and challenges pastors throughout the Christian world to kindly consider the heart of the afflicted These finely hewn stones can be used by anyone in the ministry to sharpen their serve Mattis and Maness offer this third collection from *Testamentum Imperium* with a prayer that these will open new avenues of sensitivity to the hearts and souls of those in travail and aid those who are called by God to serve those in pain **Messy** A. J.

Swoboda, 2012-04-13 Christianity is messy Unanswered prayers Painful choices Unresolved regrets We re called to have faith and yet we doubt We try to be perfect but we fall short This is the chaos It s all around us There s no limit to it And there s no quick fix for it Both annoyingly honest and refreshingly humorous Messy reassures Christians that God can reveal Himself in their clutter Author and pastor A J Swoboda offers biblical insight and vivid personal stories to redefine faith from something that must be perfect to something that is imperfect but can still give beauty meaning and purpose to a messy life As entertaining as it is challenging this book teaches Christians what it means to trust in each other in grace in hope and in a Savior who defied the rules of death Here s to finding joy in your chaos **Jesus, Criteria, and the Demise of**

Authenticity Chris Keith, Anthony Le Donne, 2012-06-28 This volume discusses the new approaches regarding the criteria of authenticity and their relevance in the quest for the historical Jesus studies *Evangelical Theology, Second Edition*

Michael F. Bird, 2020-10-20 Gospel Centered Theology for Today *Evangelical Theology Second Edition* helps today s readers understand and practice the doctrines of the Christian faith by presenting a gospel centered theology that is accessible rigorous and balanced According author Michael Bird the gospel is the fulcrum of Christian doctrine the gospel is where God meets us and where we introduce the world to God And as such an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology The text helps readers learn the essentials of Christian theology through several key features including A What to Take Home section at end of every part that gives readers a run down on all the important things they need to know Tables sidebars and questions for discussion to help reinforce key ideas and concepts A Comic Belief section since reading theology can often be dry and cerebral so that readers enjoy their learning experience through some theological humor added for good measure Now in its second edition *Evangelical Theology* has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology
