Arab Fall Eric Trager,2016-10-04 How did Egypt s Muslim Brotherhood win power so quickly after the dramatic Arab Spring uprising that ended President Hosni Mubarak s thirty year reign in February 2011 And why did the Brotherhood fall from power even more quickly culminating with the popular rebellion and military coup that toppled Egypt s first elected president Brotherhood leader Mohamed Morsi in July 2013 In Arab Fall Eric Trager examines the Brotherhood s decision making throughout this critical period explaining its reasons for joining the 2011 uprising running for a majority of the seats in the 2011 2012 parliamentary elections and nominating a presidential candidate despite its initial promise not to do so Based on extensive research in Egypt and interviews with dozens of Brotherhood leaders and cadres including Morsi Trager argues that the very organizational characteristics that helped the Brotherhood win power also contributed to its rapid downfall The Brotherhood s intensive process for recruiting members and its rigid nationwide command chain meant that it possessed unparalleled mobilizing

capabilities for winning the first post Mubarak parliamentary and presidential elections Yet the Brotherhood s hierarchical organizational culture in which dissenters are banished and critics are viewed as enemies of Islam bred exclusivism This alienated many Egyptians including many within Egypt s state institutions The Brotherhood s insularity also prevented its leaders from recognizing how quickly the country was slipping from their grasp leaving hundreds of thousands of Muslim Brothers entirely unprepared for the brutal crackdown that followed Morsi s overthrow Trager concludes with an assessment of the current state of Egyptian politics and examines the Brotherhood s prospects for reemerging

The Fall of Gods Ester

Gallo,2018-02-15 Interrogating the cultural roots of contemporary Malayali middle classes especially the upper caste Nambudiri community The Fall of Gods is based on a decade long ethnography and historico sociological analyses of the interconnections between colonial history family memories and class mobility in twentieth century south India It traces the transformation of normative structures of kinship networks as the community moves from colonial to neo liberal modernity across generations The author demonstrates how past family experiences of class and geographical mobility or immobility are retrieved and reshaped in the present as alternative ways of conceiving kinship transforming the idea of collective

suffering and sacrifice and strengthening the felt necessity of territorial caste and religious mingling Rich in anthropological detail and incisive analyses the book makes original contributions to the understanding of connection between gendered family relations and class mobility and foregrounds the complex linkages between political history memory and the private domain of kinship relations in the making of India's middle classes Learning How to Fall T Nikki Cesare Schotzko,2014-12-17 Beginning with Richard Drew's controversial photograph of a man falling from the North Tower of the World Trade Center on September 11 Learning How to Fall investigates the changing relationship between world events and their subsequent documentation asking Does the mediatization of the event overwhelm the fact of the event itself How does the mode by which information is disseminated alter the way in which we perceive such information How does this impact upon our memory of an event T Nikki Cesare Schotzko posits contemporary art and performance as not only a stylized re-envisioning of daily life but inversely as a viable means by which one might experience and process real world political and social events This approach combines two concurrent and contradictory trends in aesthetics narrative and dramaturgy the dramatization of real world events so as to broaden the commercial appeal of those events in both mainstream and alternative media and the establishment of a more holistic relationship between politically and aesthetically motivated modes of disseminating and processing information By presenting engaging and diverse case studies from both the art world and popular culture including Aliza Shvarts's censored senior thesis at Yale University Kerry Skarbakka's provocative photographs of falling Didier Morelli's crawl through Toronto and Aaron Sorkin's *The Newsroom* Learning How to Fall creates a new understanding of the relationship between the event and its documentation where even the truth of an event might be called into question **Summary of When Things Fall Apart** SellWave Audio,2025-09-29 In *When Things Fall Apart* Pema Chodron offers profound insight into how we can navigate life when everything feels like it's falling apart when fear anxiety and pain overwhelm us Contrary to what we might expect Chodron suggests that the path to healing often lies in moving toward our suffering rather than avoiding it By embracing and becoming intimate with painful situations we open our hearts in ways we never thought possible Drawing from traditional Buddhist wisdom *When Things Fall Apart* presents transformative tools for turning suffering and negative patterns into opportunities for growth ease and lasting joy Through her compassionate guidance Chodron shows how we can shift our relationship with hardship learning to embrace the challenges of life rather than be consumed by them *Fall of the Fold* by Liane Kraft , *The Decline and Fall of the Church* Given O.
