Married to Christ Milton J Fletcher,2012-10-01 Examine the foundation of union with Christs death and resurrection as a source of salvation Explain the idea that as ordinary death alters legal relationships death in Christ alters the believers legal obligations The penalty that the law exacts is death but those who have died through union with Christ have already suffered this penalty the law has no authority to condemn them further Discuss the law of marriage when one partner dies the law governing the relationship ceases to apply and remarriage is not sin Convey that believers rose to new life through union with Christ in the resurrection and are free to belong to Christ for the purpose of bearing fruit to God Illustrate that the old Adamic marriage to the law ceased to exist believers are no longer under law but are released from it Describe the new marriage an entry in to a new life dominated by the Holy Spirit who gives new power to fulfill the holy laws of God

Commentary on the Letter to the Romans: Bible Study Notes and Comments David Pratte,2018-12-19 Bible study notes and commentary on the New Testament book of Romans Emphasizes understanding the text with practical applications Intended to be helpful to all Christians including teachers and preachers while avoiding an emphasis on technical issues Written from the conservative viewpoint of faith in the Bible as the absolute inerrant verbally inspired word of God Topics discussed include The Old Law compared to the Gospel Salvation by grace through faith Relationship of Jews and Gentiles The universal need for forgiveness God s eternal plan for man s salvation The nation of Israel in God s plan Practical applications for Christian Biblical Studies on the Internet Roland H. Worth, Jr.,2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major

expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use

Romans: A Social Identity Commentary William S. Campbell,2023-01-26 William S Campbell provides a comprehensive commentary on Paul s most challenging letter In conversation with reception history and previous scholarship he emphasizes the contextuality of Romans as a letter to Rome using social identity theory combined with historical literary and theological perspectives to arrive at a coherent reading of the entire letter Because Paul has never visited Rome and is not the founder of the Christ movement there Campbell argues that his guidance and teaching are formulated more cautiously than in his other letters Yet the long list of people who had previous links with him and his mission to the gentiles demonstrates that Paul is well informed about the situation in Rome and addresses issues that have arisen With Christ the Messianic Time is beginning but there was some lack of clarity in Rome about the implications of this for Jews and gentiles Rather than ethne in Christ replacing Israel as some in Rome possibly concluded Campbell stresses that Paul affirms the irrevocable calling of Israel and that simultaneously the identity of ethne in Christ is also called alongside the people Israel thus the integrity of the identity of both is affirmed as indispensable for God s purpose now revealed in Christ Campbell fully demonstrates how Paul in Romans achieves this by the social and theological intertwining of the message of the gospel **Paul's Letter To The Romans** , These sermon outlines on various topics were chosen for their strong scriptural support and solid expository structure They will enhance pulpit ministry and encourage those in the pew
