David Sadiq,2011-12-19 In this book I hope to correct the assertion that people make about Michal the wife of David as the only woman that was barren even though the Bible never says she was Barren but she had no child Through the inspiration and help of the Holy Spirit I come to examine critically the differences between the words barren and had no child and concluded that Michal was not barren and therefore is every daughter of Abraham Every child of God already has God s promises for his or her life written in the Bible all that is needed is to read and claim them by faith Barrenness or Infertility does not come from God Both primary and secondary cases of infertility are man made or self inflicted but because man in nature will always want to blame their woes on someone else they often chose to blame God The revelation in this book will automatically encourage and empowers you not to give up and not to consider yourself barren for the promise of God is

Kalish,2022-09-06 This sharply honed and well constructed work brings to the fore and explores the New Testament story regarding the woman who entered a house where Jesus was dining and anointed him with precious oil shortly before His Passion and Crucifixion The author unveils the intricate nature of the tradition of the Church that gives the woman a voice and elucidates her backstory through its liturgical poetry oratory and other writings Scholarly consideration is given to all these sources in addressing questions such as Who was this woman Where did she come from How did she acquire the precious oil How did she enter into the house of Simon uninvited How did she perceive her own bold actions The reader will learn that in the liturgical tradition of the Orthodox Church as found in the hymnology of Holy Week this sinful woman is shown to be an example of repentance and unconstrained love The intricate nature of the hymns and homilies of the Orthodox Church give greater scope and application to the biblical record primarily in Greek and Syriac manuscripts with particular attention given to the former texts too often overshadowed by the latter The author shares previously inaccessible texts of late antiquity such as homilies by Amphilochius of Iconium and Ephrem Graecus found here in English for the first time This in depth and readable study will engage those who encounter the story of the sinful woman in the living tradition of worship within the Orthodox Church together with those who have encountered this story in Scripture or in the course of their academic studies **The Pulpit Commentary, Volume 1** Spence-Jones, Henry,2015-08-14 The Pulpit Commentary

was first published between 1880 and 1919 and is a highly respected work written by conservative trustworthy men. Containing over 22 000 pages and 95 000 entries it is one of the largest and best selling homiletic commentary sets of all time. It was directed by editors Joseph Exell and Henry Donald Maurice Spence Jones and utilized more than 100 authors over a 30 year span. When reading this commentary it is not difficult to see why it has remained a favorite amongst pastors for more than 100 years. There are three key elements which set this apart from its contemporaries: the first being that it gives an exposition or verse by verse annotation of each verse in the Bible. The second element is that it explores the framework of the text: the homiletics. Finally it supplies the homilies with multiple model sermons from various authors. Also included is a translation as well as historical and geographical information. The Evangelical Magazine and Missionary Chronicle declared: 'This commentary bids fair to take a conspicuous place among the ever multiplying aids to the study of the Holy Scriptures. It will revive the great work of Lange and will far exceed the Speaker's Commentary in the bulk and fullness of its material. The peculiarity of the Pulpit Commentary is that it offers special assistance to the preacher first by giving him a critical and exegetical exposition of the text of Scripture and then providing him with succinct and helpful directions as to the preachable aspects of the chapter and paragraph already explained.' The print edition of this set typically retails for more than 1 000 making the current offered price a very good bargain. Due to its size it has been broken up into nine separate volumes: Volume 1 Genesis to Joshua, Volume 2 Judges to 2 Kings, Volume 3 1 Chronicles to Job, Volume 4 Psalms to Song of Songs, Volume 5 Isaiah to Daniel, Volume 6 Hosea to Malachi, Volume 7 Matthew to John, Volume 8 Act to Philippians, Volume 9 Colossians to Revelation. The footnotes have been placed in line with the text with each footnote number enclosed in red brackets i.e. and the text in green. There is also a linked table of contents at the beginning of each volume for ease of navigation.
