Moody's Magazine,1916

The Communist Parties of Italy, France and Spain Peter Lange,Maurizio Vannicelli,2021-06-29 First published in 1981 The Communist Parties of Italy France and Spain presents a comparative and integrative overview of the development of three Communist parties in the postwar Europe Through the systematic presentation of the most important documents of the Communist parties the book provides an access to the basic declarations and positions to illustrate the strategic and ideological evolution of these three parties in the advanced industrial democracies Eurocommunism the editors argue cannot be usefully understood as a phenomenon which suddenly appeared and equally as rapidly disappeared in the 1970s Rather it is a process of adaptation and change which characterizes the development of all three parties since World War II The explicitly comparative organisation of the documents into five basic themes general strategy alliances party organization international policy policy toward the communist movement allows the reader both to follow any single party in a specific policy area or to compare the parties in response to major domestic or international events of significance Rich in archival material this book will be an invaluable resource to scholars and researchers of European Politics comparative politics comparative communism and modern European history

[Social Institutions Of France](#) Pierre Laroque,Patricia Evans,Roy Evans,2021-10-14 First Published in 1983 Social problems have assumed a growing importance in France as in all developed countries especially since the end of the last century While traditional early nineteenth century liberalism denied

the existence of social problems as such believing the greatest possible economic freedom to be the sole solution to all evils the emphasis is still placed more and more insistently on the need for a definite and concerted welfare effort to increase the material well being of individuals and families Since the second edition of this book was published in 1962 legislation and welfare services and social reality itself have changed as much through circumstances as through political and economic evolution It follows that the present edition of this book is in fact an almost wholly new book It attempts to present a comprehensive view of French social life drawing attention especially to welfare services and legislation as they are at the beginning of 1979

Adapting Nineteenth-Century France Kate Griffiths, Andrew Watts, 2013-05-15 This book uses six canonical novelists and their recreations in a variety of media to argue a reconceptualisation of our approach to the study of adaptation The works of Balzac Hugo Flaubert Zola Maupassant and Verne reveal themselves not as originals to be defended from adapting hands but as works fashioned from the adapted voices of a host of earlier artists moments and media The text analyses reworkings of key nineteenth century texts across time and media in order to emphasise the way in which such

reworkings cast new light on many of their source texts and how they reveal the probing analysis nineteenth century novelists undertake in relation to notions of originality and authorial borrowing

Adapting Nineteenth Century France charts such revision through a range of genres encompassing the modern media of radio silent film fiction musical theatre sound film and television
