Eye Witness Shadowrun Rpg Adventure 7316:

Shadowrun Denver 1 Catalyst, 2014-10-22 The Sixth World is many things including a stunning series of case studies on the mechanisms of hate. There are some true experts out there, people who know that just walking up to someone or something you don't like and throwing a solid punch is satisfying, but nowhere near as satisfying as causing destruction that runs deep and lasts forever. The Aurora Warrens of Denver hold a dark secret as some people trusted to help its residents are instead giving full rein to their darkest impulses. Shadowrunners typically are not heroes riding in to save the day, but in this case the work they're being offered gives them a chance to dig into these secrets, perhaps fix some of them, and maybe even bring a few people to justice, however they happen to define justice. With dark secrets, double crosses, and plenty of nuyen flying around, *Serrated Edge* gives players plenty of chaos to keep up with while launching them into a series of adventures that will shake up the city of spies and maybe bring about a better future. Or curse it to worse. *Serrated Edge* is an adventure for use with Shadowrun Fifth Edition.

Shadowrun False Flag Catalyst, 2014-11-19 The ruling powers of the Sixth World sprawls are content to let the little people of their cities engage in all sorts of shenanigans and scheming so long as it doesn't affect their master plans. But when the chaos gets too out of hand or the little people start acting too arrogant, then those powers turn their angry gaze to the people they would rather ignore, and the everyday chaos of life erupts into something worse and considerably more dangerous. Recent attacks on the Paladin Medical Health Center in the Aurora Warrens have drawn the attention of some of Denver's powers, and they're not going to ignore the situation. They're also not going to just send in the police because that's not how things are done; instead, they will launch schemes of their own with the opportunity to create chaos that makes the previous sildness seem like a sunny day in the Rockies. *False Flag* is the second in the series of Denver Adventures for Shadowrun Fifth Edition. Whether played alone or as part of a larger campaign with the first adventure, it will test players' resources, creativity, and skill while moving them toward the dramatic plot developments ahead.
