Taking Root Diana Kleyn, 2019-12-21 The picture of a plant taking root is used in the Bible to teach us the idea of conversion When someone s heart is turned from himself and his sinful ways to faith in Jesus and devotion to God it is like a plant which starts to shoot out roots into rich soil so that it can live and take nourishment There is no way for a plant to have life unless it takes root and there is no way for a person to have spiritual life unless God turns him or her out of the way of death and into the way of life The stories in this book have to do with plants taking roots But as you read through them you will not run across tales of flowers leaves and dirt as much as you will about spiritual plants in the garden of the Lord They are stories about how God gives people new spiritual life by rooting their hearts in the grace of His Son Jesus Christ Read these stories and take the time to ask God about causing your heart to take deep root into the life giving soil of Jesus Contents Taking Root 1 A Little Girl s Sin Found Out 2 The Pickpocket s Story 3 A Change of Heart 4 Martha s Bible 5 What Shall It Profit 6 God s Word Satisfies 7 A Mocking Discussion of the Bible 8 Shusco the Indian 9 Afraid to Go Home 10 The Gift 11 Trying to Enter by the Wrong Door 12 Jack and His Master 13 A New Year s Start for Eternity 14 Clean Within 15 The Bird in the Church 16 A Search for Atoning Blood 17 Can I Become a

 1980s **Hawk Carse in Space** Anthony Gilmore, 2011-05-01 Tales of Hawk Carse one of the greatest of space adventurers
 Includes the following stories Hawk Carse Affair of the Brains The Bluff of the Hawk The Passing of Ku Sui Excerpt Hawk Carse
 came to the frontiers of space when Saturn was the frontier planet which was years before the swift Patrol ships brought
 Earth's law and order to those vast regions A casual glance at his slender figure made it seem impossible that he was to rise
 to be the greatest adventurer in space that his name was to carry such deadly connotation in later years But on closer
 inspection a number of little things became evident the steadiness of his light gray eyes the marvelously strong fingered
 hands the wiry build of his splendidly proportioned body Summing these things up and adding the brilliant resourcefulness of
 the man the complete ignorance of fear one could perhaps understand why even his blood enemy the impassive Ku Sui a man
 otherwise devoid of every human trait could not face Carse unmoved in his moments of cold fury His name we know enters
 most histories of the period 2117-2148 A.D. for he has at last been recognized as the one who probably did most unofficially
 and not with the authority of the Earth Government to shape the raw frontiers of space to push them outward and to lay the
 foundations of the present tremendous commerce between Earth Vulcan Pluto Neptune Uranus Saturn and Jupiter But little
 of his fascinating character may be gleaned from the dry words of history and it is Hawk Carse the adventurer he of the
 spitting ray gun and the phenomenal draw of the reckless space ship maneuverings of the queer bangs of flaxen hair that
 from a certain year hid his forehead of the score of blood feuds and the one great feud that jarred nations in its final terrible
 settling it is with that man we are concerned here A number of his exploits never recorded are still among the favorite yarns

spun by lonely outlanders in the scattered trading posts of the planets and among them is that of his final encounter with Judd the Kite It shows typically the cold deadliness the prompt repaying of a blood debt the nerveless daring that were the outstanding qualities of this almost legendary figure It began one crisp early morning on Iapetus and it ended on Iapetus with the streaks of ray guns searing the air and it explains why there are two square mounds of soil on Iapetus eighth satellite of Saturn
