The Whole Works of the Reverend Mr. John Flavel ... John Flavel, 1754 **Sovereignty of God** Arthur W. Pink, 2008-08 Pink d 1953 is noted for his independent thinking He was so well read and had such a photographic memory that he could give you the page and column in a host of reference works and commentaries This book shocked the Christian world in 1919 when he published it He fiercely defends the sovereignty of God and all the cognate doctrines such as the Doctrines of Grace It is THE book to give to those just after conversion and a prime book to give to anyone who defends the free will of man Pink was a Baptist preacher who held pulpits in England America and Australia His early training was in scientology His conversion was instant and complete dedication to the cause of God and truth guickly became evident This early book by Pink lays Scripture end to end to prove God's control over all persons and events It is uncompromising and as such it raises the hackles on the necks of many new students of this doctrine Persons who knew Pink seldom objected to anything he taught because he could literally quote hundreds of verses of Scripture verbatim on the subject under discussion This book may be overwhelming but it is certain that its many printings have been used of God to convince people of His sovereignty The Banner of Truth has an edition of this book but they have abridged their edition by deleting the chapter on Reprobation If Pink were still alive he certainly would not have allowed this misrepresentation of his doctrinal belief that God both elects and reprobates as Romans 9 21 23 clearly teaches It is an important stone to guide the steps of those who are not yet convinced of God's absolute sovereignty over all persons and events **God's Truth** Agnes Maria Huffington, 1902
