## **Ezekiel Ot Daily Study Bible Series:**

Ezekiel Peter C. Craigie, 1983-01-01 This illuminating study enables the reader to better understand the vocation and message of an extraordinary prophet The message Ezekiel delivered to the people of Babylon centered on the holiness of God Even though he foretold doom and judgement the prophet held out the promise of hope based on the continuing mercy and forgiveness of God Carrying forward brilliantly the pattern established by Barclay s New Testament series the Daily Study Bible has been extended to cover the entire Old Testament as well Invaluable for individual devotional study for group discussion and for classroom use the Daily Study Bible provides a useful reliable and eminently readable way to discover what the Scriptures were saying then and what God is saying today      **The Catholic Biblical Quarterly** Wendell Stephen Reilly, 1985 Includes various reports of the Association      *Subject Catalog* Library of Congress, 1982      After Ezekiel Paul M. Joyce, Andrew Mein, 2011-05-19 Ezekiel has long been considered the most difficult of all the prophetic books to understand The prophet s bizarre visions extraordinary behaviour and extravagant imagery have perplexed and fascinated readers for more than 2 500 years The prophet has had an impact not only on theology and the life of Church and Synagogue but also on culture art and architecture The volume brings together 15 new essays on Ezekiel s impact by leading scholars and they focus on a range of different parts of the book and periods of reception Historically they cover the reception of Ezekiel from the New Testament to the present day and include both Jewish and Christian readings of the book Methodologically they offer a wide sample of the different approaches to reception history of interpretation current in contemporary biblical studies      Books in Series , 1985 Vols for 1980 issued in three parts Series Authors and Titles *Journal of Biblical Literature* , 1986      **De-demonising the Old Testament** Judit M. Blair, 2009 Judit M Blair challenges the common view that azazel lilith deber qeteb and reshef are names of demons in the Hebrew Bible claiming that major works on the subject proceed from the assumption that these terms were demons in the ancient Near East and or later or that they were deities who became demonised by the authors of the Hebrew Bible Without questioning the validity of traditional methods she supplements the existing works by making an exegesis based on a close reading of all the relevant texts of the Hebrew Bible in which these five terms occur Close attention is paid to the linguistic semantic and structural levels of the texts The emphasis is on a close examination of the immediate context in order to determine the function of each term The author notes different signals within the texts especially the use of the various poetical rhetorical devices personification parallelism similes irony and mythological elements      *American Book Publishing Record* , 2005      The Book of Ezekiel, Chapters 1-24 Daniel I. Block, 1997-08-26 A study of the first half of the biblical book of Ezekiel with commentary on what his message could mean for the church in the twentieth century      *Subject Catalog*, 1982 Library of Congress, 1982      Canadiana , 1987      **The British National Bibliography** Arthur James Wells, 2004      *Ezekiel the Priest* Terry J. Betts, 2005 As one of the most significant figures in ancient Israel the priest had numerous responsibilities the

most important of which was the exposition of the Mosaic T r The ministry of Ezekiel a prophetic priest offers a glimpse of how one priest carried out his duties as a custodian of T r Ezekiel the Priest provides the possibility of a deeper understanding of the pastoral ministry of priests as teachers of God s word during Old Testament times through the example of one ancient Israelite priest
