Meeker, 2016-09-30 Just why I should write a preface I know not except that it is fashionable to do so and yet in the present case there would seem a little explanation due the reader who may cast his eye on the first chapter of this work Indeed the chapter *Early Days in Indiana* may properly be termed an introduction though quite intimately connected with the narrative that follows yet not necessary to make a completed story of the trip to Oregon in the early fifties The enlarged scope of this work narrating incidents not connected with the Oregon Trail or the Ox Team expedition may call for this explanation that the author's thought has been to portray frontier life in the Old Oregon Country as well as pioneer life on the plains to live his experiences of eighty five years over again and tell them in plain homely language to the end the later generation may know how the fathers lived what they did and what they thought in the long ago An attempt has been made to teach the young

lessons of industry frugality upright and altruistic living as exemplified in the lives of the pioneers While acknowledging the imperfections of the work yet to parents I can sincerely say they may safely place this volume in the home without fear that the adventures recited will arouse a morbid craving in the minds of their children The adventures are of real life and incident to a serious purpose in life and not stories of fancy to make exciting reading although some of them may seem as such Truth is stranger than fiction and the pioneers have no need to borrow from their imagination Seattle Washington Ox Team Days on the Oregon Trail Ezra Meeker, Howard R Driggs, 2016-10-14 The Oregon Trail what suggestion the name carries of the heroic toil of pioneers Yet a few years ago the route of the trail was only vaguely known Then public interest was awakened by the report that one of the very men who had made the trip to Oregon in the old days was traversing the trail once more moving with ox team and covered wagon from his home in the state of Washington and marking the old route as he went The man with the ox team was Ezra Meeker He went on to the capital where Mr Roosevelt then President met him with joy Then he traversed the long trail once more with team and wagon back to that Northwest which he had so long made his home This book gives Mr Meeker's story of his experiences on the Oregon Trail when it was new and again when advanced in years he retraced the journey of his youth that Americans might ever know where led the footsteps of the pioneers The publication of this book in its Pioneer Life Series carries forward one of the cherished purposes of World Book Company to supply as a background to the study of American history interesting and authentic narratives based on the personal experiences of brave men and women who helped to push the frontier of our country across the continent Ezra Meeker December 29 1830 December 3 1928 was an early pioneer who traveled the Oregon Trail by ox cart as a young man Beginning in his 70s he worked tirelessly to memorialize the trail repeatedly retracing the trip of his youth He was the principal founder of Puyallup Washington Meeker was born in Huntsville Ohio to Jacob and Phoebe Meeker his family relocated to Indiana in 1840 Married in 1851 in 1852 with his wife and his newborn son Marian he headed to the Oregon Territory during the era of the donation land claims ending up near Puget Sound They settled permanently in Puyallup in 1862 where Meeker began growing hops for brewing beer **The Missing Chapters** Dennis M. Driggs, 2018-04-07. The Oregon Trail, what suggestion the name carries of the heroic toil of pioneers. Yet a few years ago the route of the trail was only vaguely known. Then public interest was awakened by the report that one of the very men who had made the trip to Oregon in the old days was traversing the trail once more, moving with ox team and covered wagon from his home in the state of Washington and marking the old route as he went. The man with the ox team was Ezra Meeker. He went on to the capital where Mr. Roosevelt then President met him with joy. Then he traversed the long trail once more with team and wagon back to that Northwest which he had so long made his home. This book gives Mr. Meeker's story of his experiences on the Oregon Trail when it was new and again when advanced in years he retraced the journey of his youth that Americans might ever know where led the footsteps of the pioneers.
