Ezra Pound And Dorothy Shakespear Their Letters 1909 1914:

Ezra Pound and Dorothy Shakespear, Their Letters, 1909-1914 Ezra Pound, Dorothy Pound, 1984 Listen to it Ezra Ezra And a third time Ezra Some people have complained of untidy boots how could they look at his boots when there is his moving beautiful face to watch These words from the notebook of Dorothy Shakespear dated February 16 1909 record the entry into her life of the energetic young American recently arrived in London who was to become her husband Ezra Pound Their correspondence begun the following year extends over more than six decades until the poet's death in 1972 All of these letters are of unusual literary interest but those from before their marriage in April 1914 have a special importance since few from this period have been published The standard edition of The Selected Letters of Ezra Pound edited by D D Paige includes none from 1910 1911 and only a handful from 1912 1913 yet these were the crucial years in Pound's literary development and in the shaping of early modernism The over two hundred letters and diary entries in Ezra Pound and Dorothy Shakespear Their Letters 1909 1914 are published here for the first time Taken together they provide a detailed record of the poet's search for a new style and give a full portrait of a dynamic young expatriate who was simultaneously involved in two literary generations the companion and close friend of Yeats and Ford Madox Hueffer as well as of Wyndham Lewis and the sculptor Gaudier Brzeska They also shed a poignant light on The Pisan Cantos of 1945 where amid the ruins of his life Pound recalled again and again the events and people described in these letters as if the memory of 1909 1914 was the only stable point left in a disintegrating personal universe The letters have been thoroughly annotated by Omar Pound translator and bibliographer of Wyndham Lewis and by A Walton Litz of Princeton University the author of studies of James Joyce Wallace Stevens and other modern writers The book includes a biographical appendix with particular emphasis on lesser known people mentioned in the letters some unpublished early poems by Pound transcribed by Dorothy into one of her notebooks family charts one of which shows Pound's ancestral origins numerous unpublished illustrations and an extensive index **Ezra Pound and Dorothy Shakespear: Their Letters, 1909-1914; Ed. by Omar Pound and A. Th. M. G. Liebrechts, 2004 This book is a detailed study of Ezra Pound's explicit and implicit use of elements of the Neoplatonic tradition in his prose and poetry and of the way it informed his poetics as well as his political and social economic views The book not only discusses the ideas of those Pound considered to be leading figures in the development of Neoplatonism such as Plotinus Dionysius the Areopagite Eriugena Dante Gernisthus Plethon and Thomas Taylor but more importantly it shows how and why Pound adapted and appropriated their notions to develop his interpretation of what he saw as an ongoing Neoplatonic tradition Through this adaptation of Neoplatonism Pound's work may be seen as an insightful commentary upon this religio philosophical tradition as well as a contribution to it [Ezra Pound and the Appropriation of Chinese Poetry](#) Ming Xie, 2021-12-12 First published in 1999 The subject of this book is the translation and appropriation of Chinese poetry by some English and American writers in the early decades of this century The author explores the concerns as much with English translation of Chinese poetry per se as with the relationship between this body of translation from the Chinese and the developing poetics and practices of what is usually referred to as Imagism as much with the question of historical influence or ascription as with certain interpretive and critical aspects of this correlative relationship Focusing on the direct influence of Chinese poetry upon the theory and practice of Imagism attributing to Imagist poets in general and Ezra Pound in particular the perception in Chinese poetry of the essential qualities and principles for rejuvenating English poetry in the early decades of the century **The Cambridge Companion to Ezra Pound** Ira B. Modernist Travel Writing David G. Farley,2010-11-30 As the study of travel writing has grown in recent years scholars have largely ignored the literature of modernist writers Modernist Travel Writing Intellectuals Abroad by David Farley addresses this gap by examining the ways in which a number of writers employed the techniques and stylistic innovations of modernism in their travel narratives to variously engage the political social and cultural milieu of the years between the world wars Modernist Travel Writing argues that the travel book is a crucial genre for understanding the development of modernism in the years between the wars despite the established view that travel writing during the interwar period was

largely an escapist genre one in which writers hearkened back to the realism of nineteenth century literature in order to avoid interwar anxiety Farley analyzes works that exist on the margins of modernism generically and geographically works that have yet to receive the critical attention they deserve partly due to their classification as travel narratives and partly because of their complex modernist styles The book begins by examining the ways that travel and the emergent travel regulations in the wake of the First World War helped shape Ezra Pound s Cantos From there it goes on to examine E E Cummings s frustrated attempts to navigate the unworld of Soviet Russia in his book Eimi Wyndham Lewis s satiric journey through colonial Morocco in *Filibusters in Barbary* and Rebecca West s urgent efforts to make sense of the fractious Balkan states in *Black Lamb and Grey Falcon* These modernist writers traveled to countries that experienced most directly the tumult of revolution the effects of empire and the upheaval of war during the years between World War I and World War II Farley s study focuses on the question of what constitutes evidence for Pound Lewis Cummings and West as they establish their authority as eyewitnesses translate what they see for an audience back home and attempt to make sense of a transformed and transforming modern world *Modernist Travel Writing* makes an original contribution to the study of literary modernism while taking a distinctive look at a unique subset within the growing field of travel writing studies David Farley s work will be of interest to students and teachers in both of these fields as well as to early twentieth century literary historians and general enthusiasts of modernist studies
