The Complete F-Plan Diet Audrey Eyton, 1987-01-29 In 1982 Audrey Eyton's international superseller The F Plan Diet took the world by storm 24 years later she returns with an equally sensational ground breaking diet for the 21st century that will revolutionise the eating habits of millions The F2 Diet where F2 dissolves excess fat at a faster rate than any other diet based on the same calorie intake F2 mobilises an army of good bacteria to optimise health F2 cleanses out the toxins helps protect against cancers by speedily removing dangerous accumulations of carcinogenic waste F2 lowers LDL bad cholesterol and starts to unclog arteries F2 stabilizes blood sugar levels to help prevent diabetes F2 guarantees the abundance of nutrients that only good foods can provide leaving you with healthy hair teeth and skin and F2 enhances your mood and state of mind headaches mood swings and sluggishness are replaced by balanced emotions and mental acuity You will accomplish all the above if you follow the practical but highly effective plan that Audrey Eyton offers Painless satisfying and easy to manage The F2 Diet enables you to exchange bad eating habits for good ones whilst ensuring that you never go hungry The result is permanent weight loss and a massive improvement in the way you look and feel The F-Plan Calorie and Fibre Chart Audrey Eyton, Joyce Hughes, 1988 **Practice book** Michael Swan, 1990 *The Diet Dictionary* Michael

Wenkart, 2014-04-10 Dieting became something of an obsession in the latter part of the 20th century especially among younger Western females The influence of the media and the prevalence of Hollywood type images of young slim women prompted many to try to emulate them and savvy entrepreneurs were quick to pick up on the commercial potential of this Soon all sorts of diets were flooding the market and the trend continues to this day This book looks at a range of these diets some old some new all claiming to lose you weight and make you look terrific Many of them won't live up to their claims but we present a hopefully balanced view so you can make up your own mind and use the information to decide which if any you want to try Everyone is different and one concept might work for one person and not another Good luck we hope you find this useful and enjoyable whatever route you decide to follow The New Cambridge English Course 1 Class Audio Cassette Set (3 Cassettes) Michael Swan, Catherine Walter, 1990-02-15 The New Cambridge English Course is a four level course for
