

My First Love

This is a story about the first year of my relationship with the girl I love.

I suppose it starts back in July 2017. She was dating my best friend at the time, they were in a relationship for a few weeks and it ended on bad terms. While they were dating I had only seen her one time, I didn't really say much to her as I am a very shy and socially awkward person. I think I managed to get a few hellos out but nothing more than that.
