Columbia Granger's Dictionary of Poetry Quotations Edith P. Hazen, 1992 Why do smokers claim that the first cigarette
of the day is the best What is the biological basis behind some heavy drinkers belief that the hair of the dog method alleviates
the effects of a hangover Why does marijuana seem to affect ones problem solving capacity Intoxicating Minds is in the
author s words a grand excavation of drug myth Neither extolling nor condemning drug use it is a story of scientific and
artistic achievement war and greed empires and religions and lessons for the future Ciaran Regan looks at each class of
drugs describing the historical evolution of their use explaining how they work within the brain s neurophysiology and
outlining the basic pharmacology of those substances From a consideration of the effect of stimulants such as caffeine and
nicotine and the reasons and consequences of their sudden popularity in the seventeenth century the book moves to a
discussion of more modern stimulants such as cocaine and ecstasy In addition Regan explains how we process memory the
nature of thought disorders and therapies for treating depression and schizophrenia Regan then considers psychedelic drugs
and their perceived mystical properties and traces the history of placebos to ancient civilizations Finally Intoxicating Minds
considers the physical consequences of our co evolution with drugs how they have altered our very being and offers a
glimpse of the brave new world of drug therapies The Columbia Granger's Guide to Poetry Anthologies William A.
Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of
each anthology The Stars of Ballymenone, New Edition Henry Glassie, 2016-09-12 In the time of the Troubles when
bombs blew through the night and soldiers prowled down the roads Henry Glassie came to the Irish borderland to learn how
country people endure through history He settled into the farming community of Ballymenone beside Lough Erne in the
County Fermanagh and listened to the old people For a decade he heard and recorded the stories and songs in which they
outlined their culture recounted their history and pictured their world In their view their world was one of love defeat and
uncertainty demanding the virtues of endurance faith bravery and wit Glassie s task in this book is to set the scene to sketch
the backdrop and clear the stage so that Hugh Nolan and Michael Boyle Peter Flanagan Ellen Cutler and their neighbors can
tell their own tale which explains their conditions and converts them into a tragedy of conflict and a comedy of the absurd It
gathers the saints and warriors and celebrates the stars whose wit enabled endurance in days of violence and deprivation
With patience and respect Glassie describes life in a time and a place exactly like no other and yet Ballymenone is like a
thousand other places where people work on the land during the day and tell their own tales at night forgotten while the men
of power fill the newspapers and history books by sending poor boys out to be killed The Stars of Ballymenone is an
integrated analysis of the complete repertory of verbal art from a rural community where storytelling and singing of quality
remained a part of daily life *A Companion to Poetic Genre* Erik Martiny, 2011-10-13 A COMPANION TO POETIC GENRE A
