Fables Of Jean De La Fontaine

Jean de La Fontaine

Fables Of Jean De La Fontaine:

The Complete Fables of La Fontaine Jean de la Fontaine, 2011-09-15 In this wonderful vigorously contemporary translation Craig Hill has captured the liveliness satiric wit and poetic beauty that made Jean de la Fontaine famous during his lifetime and his Fables celebrated as a masterwork of world literature ever since Despite la Fontaine s deceptively modest claim that all he intended was to put the moral tales of Aesop and other ancient fabulists into poetry for the pleasure of Louis XIV s young son his real accomplishment as later generations have understood was holding a mirror up to the society of his day and in the process fashioning a work that has become a classic Borrowing from a variety of sources la Fontaine gave the hitherto mute animals in ancient fables the power of speech Backstabbing politicians brainless nincompoops charlatans clueless heads of state egomaniacs empty headed celebrities foolish investors gluttons liars penny pinchers self important blowhards and wastrels these are the targets of la Fontaine s pen In this beautifully bound collector s edition Craig Hill has given us a rare treat both the irreverent spirit and the vivid poetry that have made la Fontaine s fables beloved through the ages continuing to amuse and inspire centuries after they rst appeared in print La Fontaine Jean de La Fontaine, 1979

The Complete Fables of Jean de La Fontaine Jean La Fontaine, 2007-10-15 Inspired new translations of the work of one of the world s greatest fabulists Told in an elegant style Jean de la Fontaine s 1621 95 charming animal fables depict sly foxes and scheming cats vain birds and greedy wolves all of which subtly express his penetrating insights into French society and the beasts found in all of us Norman R Shapiro has been translating La Fontaine s fables for over twenty years capturing the original work s lively mix of plain and archaic language This newly complete translation is destined to set the English standard for this work Awarded the Lewis Galanti re Prize by the American Translators Association 2008 **The Complete**

Fables of Jean de la Fontaine Jean de La Fontaine, 1988 The English speaking reader will typically find selections of translated fables by La Fontaine 1621 1695 and a large number of those stray rather far from the original in an effort to retain the poetic flavor of the genre Other translations treating the fables as reading matter for followers of Winnie the Pooh do not retain the subtle overtones and wit intended in fact for educated adults This translation remains extraordinarily faithful to the original not only in metrical patterns and rhyme schemes but also in tone wit and le mot juste are skillfully and wonderfully combined This is no small achievement and we can now enjoy the grace wit and versatility of an author whose literary qualities were until now evident only in the original Danielle Mihram New York University Library The Original Fables of La Fontaine Jean de La Fontaine, 2022-09-16 In *The Original Fables of La Fontaine* Jean de La Fontaine masterfully weaves together a tapestry of moralistic tales that draw upon ancient sources and folklore to illuminate the complexities of human nature and society Written in the 17th century during the French Classicism period these fables are characterized by their elegant prose clever use of animal protagonists and witty allegorical conclusions La Fontaine s style reflects a deep engagement with the works of Aesop and Phaedrus yet he elevates these stories with his distinctive French sensibility

creating a rich literary context that engages readers on both intellectual and emotional levels Jean de La Fontaine born in 1621 was a prominent fable writer and poet whose experiences as a courtier and his connections with influential literary circles in France shaped his exploration of human vices and virtues His works often served as a subtle critique of the society of his time delivering moral lessons that resonate with universal themes Through his fables La Fontaine merged art and ethics encouraging readers to reflect on their own lives amid the tapestry of French cultural life Readers are invited to delve into this collection as it remains relevant and engaging bridging the gap between centuries of thought The Original Fables of La Fontaine not only entertains but also provides profound insights into moral philosophy making it a must read for anyone interested in literature that challenges and enriches the understanding of human behavior The Original Fables of La Fontaine Jean de la Fontaine,2016-02-29 The Fables of Jean de La Fontaine were issued in several volumes from 1668 to 1694 They are classics of French literature The subject of each of the Fables is often common property of many ages and races What gives La Fontaine s Fables their rare distinction is the freshness in narration the deftness of touch the unconstrained suppleness of metrical structure the unfailing humor of the pointed the consummate art of their apparent artlessness Keen insight into the foibles of human nature is found throughout but in the later books ingenuity is employed to make the fable cover yet convey social doctrines and sympathies more democratic than the age would have tolerated in unmasked expression Almost from the start the Fables entered French literary consciousness to a greater degree than any other classic of its literature For generations many of these little apologues have been read committed to memory recited paraphrased by every French school child Countless phrases from them are current idioms and familiarity with them is assumed La Fontaine s Fables wrote Madame de Sevigne are like a basket of strawberries You begin by selecting the largest and best but little by little you eat first one then another till at last the basket is empty Silvestre de Sacy has commented that they supply delights to three different ages the child rejoices in the freshness and vividness of the story the eager student of literature in the consummate art with which it is told the experienced man of the world in the subtle reflections on character and life which it conveys Nor has any one with the exception of a few paradoxers like Rousseau and a few sentimentalists like Lamartine denied that the moral tone of the whole is as fresh and healthy as its literary interest is vivid The book has therefore naturally become a standard French reader both at home and abroad *Fifty Fables of La Fontaine* Jean de La Fontaine,1997 Presents fifty verse fables by seventeenth century poet Jean de La Fontaine in side by side French and English

The Fables of La Fontaine Jean de la Fontaine,2021-11-15 The Fables of La Fontaine Jean de la Fontaine The Fables by Jean de La Fontaine are considered classics of French literature Collecting fables from a variety of sources La Fontaine then adapted them into verse Consisting of twelve books and 239 fables in all these were originally aimed at adults but have since been taught to children as a way to educate them in morals At times they have been mixed in with the fables of Aesop The sources for the fables are wide ranging from Aesop to Boccaccio from Babrius to Machiavelli even drawing at times from

ancient Indian collections of tales **A Hundred Fables of La Fontaine** Jean de La Fontaine,2022-09-04 In A Hundred Fables of La Fontaine readers are treated to a rich tapestry of moral tales elegantly woven by Jean de La Fontaine whose work remains a cornerstone of French literature This collection expertly curated by DigiCat Publishing encapsulates the timeless wisdom and wit that have made La Fontaine s fables an integral part of cultural discourse The literary style is characteristic of the golden age of French fable with each piece delivering its unique blend of entertainment and edification through the anthropomorphic antics of its characters The echo of Aesop is clear yet distinctly transformed through La Fontaine s poetic finesse and the distinct cultural milieu of 17th century France Jean de La Fontaine a poet and fabulist of remarkable repute was deeply influenced by the classical fables of antiquity yet imbued his work with a distinctly modern sensibility that has captured the imagination of readers for centuries His ability to distill complex human behaviors and societal norms into concise engaging stories is a testament to his profound understanding of both literature and the human condition This edition s thoughtful reproduction by DigiCat Publishing underscores the enduring significance of La Fontaine s legacy bringing the sharp insight and moral complexity of his fables to a new generation of readers A Hundred Fables of La Fontaine is an essential collection for anyone interested in the intersection of literature philosophy and cultural history The practical morals couched in charming verse make this work suitable for a diverse readership from the casual lover of poetry to the serious student of classical literature DigiCat s commitment to preserving and presenting such works with the respect they deserve ensures that this edition will not only delight and instruct but also serve as a cherished volume within any literary connoisseur s library [The Fables of La Fontaine](#) Jean De La Fontaine,2017-08-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
