

The image shows a large-scale art installation. The sculpture is constructed from numerous thin, translucent plastic sheets that are layered and draped to create a form that suggests a human figure, possibly a reclining or seated figure. The sheets are held together by some visible fasteners or ties. The overall effect is one of organic, fluid movement. The sculpture is set against a plain, light-colored wall. The lighting is even, highlighting the textures and folds of the plastic. The text 'FABRIZIO PLESSI, GUGGENHEIM MUSEUM SOHO/NEW YORK' is superimposed over the center of the image.
