Christman,2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God s love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways *Immortal in Wonderland* Zai

The Bright Face of Danger Clifford MacClellan Sublette,1926 *Curved Memories* John Predovan,2006 In the late night and early morning hours of July 14th and 15th of 2001 over one hundred people throughout the New York and New Jersey area witnessed a tremendous object moving slowly at a very low altitude The triangular or diamond shaped object as described by several eyewitnesses bore fifteen to as many as thirty glowing orange balls of light forming somewhat of a V pattern The object made no sounds of any kind as it hovered in silence over neighboring towns Some called the event amazing while others called it peaceful and beautiful It wasn t a group of planes flying in formation or even the aurora borealis What was it then No one seems to have the answer but someone out there might It was just another ordinary Saturday night when John was driving home from the shore Little did he know that it would be a night that he wouldn t soon forget Within the first year of the incident John was periodically being tormented by eerie images and visions For months and months he lost countless hours of sleep from these disturbing dreams Some of them would last only for a few moments while others would last for several days John kept silent telling no one about these accounts as he jotted them down on paper whenever they occurred Over the course of a couple of years John has been trying to piece together one of the greatest mysteries that continues to elude him As the pages were coming together he realized that stories started slowly unfolding before his eyes These mind boggling events would overwhelm his soul daily the more he wrote and read about them John relentlessly pursues the issue with the result of either taking one step forward closer to the answer or two steps backwards farther away from the truth This is the first of the chronicles of mystery death trust intrigue and deceit John continues to write about the images and visions as long as they appear to him in hopes of one day solving the mystery of the lights over New Jersey The Orchard Brigit Pegeen Kelly,2004 Richly allusive the poems in Brigit Pegeen Kelly s The Orchard evoke elements of myth in distinctive aural and rhythmic patterns Her poetic strength lies in her ability to cast poems as modern myths and allegories Propelled by patterned repetitions and lush cadences the poems move the reader through a landscape where waking and dream consciousness fuse Brigit Pegeen Kelly teaches creative writing at the University of Illinois at Urbana Champaign Her poetry

Owens, 2009-05-21 Stand and Face the Morning tells a robust romantic story of the Musick and Lewis families of Colonial Virginia who followed the migration down the Great Wagon Road into the backcountry of the Carolinas The narrative follows them through the trials of hewing homesteads from the wilderness wrestling with the choices of allegiance at the onset of the Revolutionary War and struggling for survival as they are caught up in the bitter civil war which engulfs their homeland The central figures are the patriarch Abram Musick and his wife Sarah whose abiding love undergirds the family Tormented eldest son Lewis carries within himself the wrongs and hurts he encounters He joins brothers cousins and neighbors in the Patriot cause in his unholy quest for vengeance Strong women characters walk beside their men and through artistry and grace produce families worthy of a new nation Sarah's daughters Terrell and Sally neighbor Saro Tweddy whose husband travels with Daniel Boone into Kentucky and Annie McKinney whose eyes look ever toward the western lands In the end the families remain strong and loyal to one another We are bound by ties of blood and by a love which will never die Together as family we shall face with hope whatever the morrow brings Reviews Adventure and romance joy and loss fill these pages as Owens lively story carries us along the rough trails of these wilderness roads Sit and enjoy Jim Minick author of Finding a Clear Path Burning Heaven and Her Secret Song The American Revolution tears apart a frontier community in this gripping historical novel When Abram and Sarah Musick lead their clan seven children with assorted servants nephews and in-laws in tow to White Oak Mountain on the western margins of North Carolina they think they've found paradise In this region of virgin timber and rich bottomland nature showers its bounty on them even when it almost kills them Well I daresay the good thing is we shall have a haunch of bear with our huckleberry dumplings tomorrow sic Alas the escalating quarrel between Britain and the colonies disrupts their bliss in their corner of the South the revolution becomes a savage civil war pitting Patriots against Tories Indians against whites coastal planters and merchants against backwoods farmers and neighbor against neighbor Abram wants to sit out the storm but his sons led by the brooding impetuous Lewis rally to the Patriot cause Life doesn't stop just because there's a war on farmers have to fit in stints of militia service around the cycle of planting and harvesting but it grows increasingly desperate as Patriot settlers face raids by loyalist irregulars and their Cherokee allies After his sweetheart is murdered by Tory marauders Lewis leads his guerrilla band on a brutal campaign of vengeance as Sarah agonizes over the hardening of her son's heart The author's limpid prose steeped in the pious musical language of the era brings this absorbing narrative to life with well observed period detail that encompasses everything from log cabin building techniques to Sarah's herbal medicine Slippery elm bark and fried onions it seems are great for gunshot wounds Owens brings readers the grit and trauma of the battlefield but also the quieter rhythms of farming and trading cooking and childcare and hoping anxiously for
