Exposition Of Colossians:

An Exposition of the Epistle of St. Paul to the Colossians John Davenant, Josiah Allport, 1831 *Colossians and Philemon* MacArthur *New Testament Commentary* John MacArthur, 1992-11-10 From whatever angle one views the modern age Colossians and Philemon are up to date Their timeless truth speaks to the dilemmas facing the world today Colossians focuses on Jesus Christ presenting Him as the ultimate answer to any problem And Philemon highlights forgiveness illustrating the power and freedom of forgiving others Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical **CHRIST ALL SUFFICIENT** Brian G. Hedges, 2016-10-01 Paul's letter to the Colossians is short but it delivers a roundhouse kick to religion as it reveals the complete and inexhaustible sufficiency of Jesus Christ Jesus really is everything we need Paul revealed in the good news that had captured his heart He never got over it and never moved beyond it He knew that no one could advance beyond the essential message of the crucified risen and exalted Christ And he didn't want anyone to retreat from it *Commentary on Colossians* Vincent Cheung, 2014-11-25 Paul's letter to the Colossians weaves together high theology with holy living and exhortations with warnings Its main theme is the fullness of Christ and the fullness that Christians have in him Christ's person and work are complete and Christians have benefited from this completeness Any attempt to supplement or replace the person and work of Christ therefore undermines and devalues him and compromises the Christian faith This commentary confronts several controversial doctrines including the incomprehensibility of God and the origin of sin and evil Other features include a summary of systematic theology from the perspective of christology discussions on true versus false philosophy true versus false spirituality what it means to see the Father by looking at Jesus the priorities of Paul in life and prayer and the true nature of the Great Commission

Balabanski,2020-01-23 Vicky Balabanski analyses Colossians as a co authored letter written during Paul s Roman imprisonment by Timothy with the input of Epaphras and sent with Paul s introductory and concluding greetings Balabanski sees remarkable resonances between the cosmology of this letter and that of Stoic thought the most widely held philosophy in first century Asia Minor Drawing upon the way Stoic thinkers saw the divine Spirit permeating reality and sought to attune their lives to the Logos divine reason she argues that the Logos of Christ the Gospel was welcomed by small groups of people shaped by Stoic thought and they experienced Christ as the visible expression of the One God who permeates reality The Letter to the Colossians has the highest view of Christ of any of the New Testament writings and its theology of divine permeation invites us to notice the ecological potential of this letter This Eco Stoic reading brings contemporary ecological questions into dialogue with the distinctive Christology and cosmology of the letter **Eerdmans Commentary on the Bible: Ephesians, Colossians, Philemon** I. Howard Marshall,Morna D. Hooker,2021-04-13 This extract from the Eerdmans Commentary on the Bible provides Marshall and Hooker s introduction to and concise commentary on Ephesians Colossians and Philemon The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions *Colossians* Markus Barth,Helmut Blanke,1994 From the son of the great Swiss theologian Karl Barth comes this landmark commentary on the Apostle Paul s Letter to the Church at Colossae With a new translation and comprehensive analysis Markus Barth s and Helmut Blanke s commentary is destined to become the definitive work in its field **An Exposition of Colossians II, 16-23** Henry Cotterill (Bishop of Grahamstown),1857 Colossians- Everyman's Bible Commentary Everett Harrison,1971-06-01 The epistle of Paul to the Colossian church was primarily intended to answer the heresies of that day but as Dr Harrison points out in the process of meeting error the apostle was led to give us deep insights into the person and work of our Savior Dr Harrison considers historical setting and authorship then following the progression of the epistle moves on to examine Christ in creation and redemption and the ministry of Paul and the Colossian church contrasting the poison of false teaching with positive fruits of living in Christ *A Commentary on St. Paul's Epistles to the Ephesians, Philippians, Colossians, and to*

Philemon Joseph Agar Beet, 1890 **Biblical Commentary on St. Paul's Epistles to the Galatians, Ephesians, Colossians, and Thessalonians** Hermann Olshausen, 1851 **Ephesians, Colossians, Philemon (Understanding the Bible Commentary Series)** Arthur G. Patzia, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard Pastors teachers and lay people alike will cherish the truth found in this commentary series *The Risen Christ* David Shelby Corlett, 1938 **Exposition of Colossians and Philemon** William Hendriksen, 1970
