Shaddix, 1999-06-10

The call to preach is just that a call to preach The call to preach however is more than just preaching The call to preach is a call to prepare Too many pastors have refrained from preparation while they await the Holy Spirit to do all of the work God expects preachers to prepare sermons as much as possible and allow Him to prepare the preachers Join Dr Jerry Vines and Dr Jim Shaddix as they achieve a balanced approach to teaching sermon preparation in Power in the Pulpit This book combines the essential perspectives of a pastor of forty years with another pastor who also devotes daily time to training pastors in the context of theological education Thus Power in the Pulpit is a practical preaching help from a pastoral perspective in the tradition where expository preaching is a paramount and frequent event in the life of the local church Power in the Pulpit is the combined work of Dr Vines s two earlier publications on preaching A Practical Guide to Sermon Preparation Moody Press 1985 and A Guide to Effective Sermon Delivery Moody Press 1986 Dr Shaddix carefully organizes

and supplements the material to offer this useful resource which closes the gap between classroom theory and what a pastor experiences in his weekly sermon preparation **Christ-Centered Preaching** Bryan Chapell, 2005-03-01 This complete guide to expository preaching teaches the basics of preparation organization and delivery the trademarks of great preaching With the help of charts and creative learning exercises Chapell shows how expository preaching can reveal the redemptive aims of Scripture and offers a comprehensive approach to the theory and practice of preaching He also provides help for special preaching situations The second edition contains updates and clarifications allowing this classic to continue to serve the needs of budding preachers Numerous appendixes address many practical issues **Preach the Word** Leland

Robinson, Torrey W. Robinson, 2003-03-01 Pastors are continually looking for resources to make their preaching more powerful and culturally relevant Old school models based on three point outlines do not resonate with today s churchgoers who are accustomed to media driven modes of expression It s All in How You Tell It provides the tools and insights necessary to help both veteran and novice preachers move from ineffective habits into adrenaline pumping dramatic sermon delivery They will learn to preach by retelling a scriptural account from the vantage point of a biblical character combining the power of drama with God s Word Nationally known preaching expert Haddon W Robinson and his son Torrey examine issues such as exegeting a text for a first person approach structuring a narrative sermon determining how to portray biblical characters and staging and delivering the sermon itself With this book seminary and Bible college students have the opportunity to build foundations for engaging story filled preaching ministries The end result will be more preachers who love to tell the story and more church members who are hungry to hear it **Preaching Christ from Daniel** Sydney Greidanus, 2012-12-19 In Preaching
