Samaniego, 2000-03-01 Specifically designed for use with the first and third lesson of each textbook unit, the Mundo 21 2 e Video presents a rich and exciting opportunity to develop students' listening skills and cultural awareness through footage from various Spanish-speaking countries. This 60-minute video contains 18 modules, each approximately four minutes in length. The modules feature a wide range of content: interviews, travelogues, documentaries, movies, and music. The Luz Camara Accion sections in the text are pedagogically designed to fully exploit the video footage. A brief introduction and the *Antes de empezar el video* activities prepare students for viewing the footage. *A ver si comprendiste* sections verify general knowledge and expand upon the topic while developing critical thinking skills.
