Extending The Work Of Christ:

Testimony of Christ's Second Appearing, Exemplified by the Principles and Practice of the True Church of Christ Benjamin Seth Youngs, 1858 *The Miracles of Christ. Expositions: Critical, Doctrinal, Experimental* Robert MAGUIRE (Rector of St. Olave's, Southwark.), 1863 1 John, Revised and Extended L. Daniel Cantey, 2021-07-28 In 1 John On Docetism and Resurrection 2016 the author elucidated the fundamental principles driving the modern order The latter works according to a novel form of salvation an ontology unto dissolution that the author recognizes as a new manifestation of the ancient heresy of docetism The modern heresy turns on faith in the Christ Idol an idolatry hidden for centuries beneath the cover of Western Christianity Its theological solution requires renewed engagement with the Trinitarian love understanding that love as a function of mutual life giving between the divine persons The revised and extended version of 1 John assumes the undoing of Western society under the docetic ethos seeking theological foundations for the society that might follow It details the meaning of various aspects of docetic modern society through a Johannine lens explaining these aspects as forms of oppression The author counters these through the Eastern Orthodox focus on the inner life over the external one the spiritual world over the physical and the proper appreciation of hierarchy as opposed to docetic equality *The Golden Rule*, 1896 *The Normal Christian Church Life* Watchman Nee, 1993-05-01 The Normal Christian Church Life is a record of messages given during conferences held in Shanghai and Hankow Watchman Nee spoke to his fellow workers on the principles in the New Testament concerning the practical arrangement of the churches the ministry and the work In his speaking he honestly examined his own work before the Lord in the light of these principles provided adjustment and encouragement to his co workers and confirmed through personal testimony that the practice of the normal Christian church life revealed in the New Testament can be recovered **In Defense of Extended Conciliar Christology** Timothy Pawl, 2019-01-03 In Defense of Extended Conciliar Christology A Philosophical Essay examines the logical consistency and coherence of Extended Conciliar Christology the Christological doctrine that results from conjoining Conciliar Christology the Christology of the first seven ecumenical councils of the Christian Church with five additional theses These theses are the claims that multiple incarnations are possible Christ descended into Hell during his three days of death Christ's human will was free Christ was impeccable and that Christ via his human intellect knew all things past present and future These five theses while not found in the first seven ecumenical councils are common in the Christian theological tradition The main question Timothy Pawl asks in this book is whether these five theses when conjoined with Conciliar Christology imply a contradiction This study does not undertake to defend the truth of Extended Conciliar Christology Rather it shows that the extant philosophical objections to Extended Conciliar Christology fail **A Theology of Mark's Gospel** David E. Garland, 2015-10-06 A Theology of Mark's Gospel is the fourth volume in the BTNT series This landmark textbook written by leading New Testament scholar David E Garland thoroughly explores the theology of Mark's Gospel It both covers major

Charles Russell Hurditch,1886 **Supralapsarian Christology and the Progressive Work of Christ** Thomas G. Doughty,2024-08-06 In *Supralapsarian Christology and the Progressive Work of Christ* Christus Dominus Thomas G Doughty Jr produces a fresh theological narrative presenting the work of Christ progressively Through both biblical and systematic theological lenses Christus Dominus explains how the incarnate Son of God accomplishes multiple benefits for humanity and the cosmos This model articulates a supralapsarian motivation for the incarnation of divine human co dominion but also accounts for the infralapsarian motivation of atonement for human sin In doing so Christus Dominus demonstrates that supralapsarian Christology is compatible with objective approaches to atonement showing also how penal substitutionary atonement fits within the more holistic motif of Christus Victor This book addresses weaknesses in infralapsarian Christologies which deem the incarnation primarily contingent on the human fall into sin By exploring God s creation intentions and his faithfulness to realize those intentions in the incarnate Christ through eschatological promises Christus Dominus encapsulates the biblical revelation relating the work of Christ to humanity s progressive vocation Then by drawing on the strengths of recent work of Christ frameworks the author systematically arranges an objective atonement model within that progressive work of Christ Christus Dominus thus upholds the unique necessity of the crucifixion within a supralapsarian Christology as the incarnate Christ s work progressively unfolds **The Christian reformer; or, Unitarian magazine and review [ed. by R. Aspland]**. Robert Aspland,1858 **The Magazine of Christian Literature** ,1892
