The Exxon-Mobil Merger United States. Congress. House. Committee on Commerce. Subcommittee on Energy and Power,1999 **The ExxonMobil-XTO Merger** United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Energy and Environment,2012 **Blowout** Rachel Maddow,2019-10-01 1 NEW YORK TIMES BESTSELLER Big Oil and Gas Versus Democracy Winner Take All A rollickingly well written book filled with fascinating exciting and alarming stories about the impact of the oil and gas industry on the world today The New York Times Book Review In 2010 the words earthquake swarm entered the lexicon in Oklahoma That same year a trove of Michael Jackson memorabilia including his iconic crystal encrusted white glove was sold at auction for over 1 million to a guy who was officially just the lowly forestry minister of the tiny nation of Equatorial Guinea And in 2014 revolutionaries in Ukraine raided the palace of their ousted president and found a zoo of peacocks gilded toilets and a floating restaurant modeled after a Spanish galleon Unlikely as it might seem there is a thread connecting these events and Rachel Maddow follows it to its crooked source the unimaginably lucrative and equally corrupting oil and gas industry With her trademark black humor Maddow takes us on a switchback journey around the globe revealing the greed and incompetence of Big Oil and Gas along the way and drawing a surprising conclusion about why the Russian government hacked the 2016 U S election She deftly shows how Russia s rich reserves of crude have paradoxically stunted its growth forcing Vladimir Putin to maintain his power by spreading Russia s rot into its rivals its neighbors the West s most important alliances and the United States Chevron BP and a host of other industry players get their star turn most notably ExxonMobil and the deceptively well behaved Rex Tillerson The oil and gas industry has weakened democracies in developed and developing countries fouled oceans and rivers and propped up authoritarian thieves and killers But being outraged at it is according to Maddow like being indignant when a lion takes down and eats a gazelle You can t really blame the lion It s in her nature Blowout is a call to contain the lion to stop subsidizing the wealthiest businesses on earth to fight for transparency and to check the influence of the world s most destructive industry and its enablers The stakes have never been higher As Maddow writes Democracy either wins this one or disappears **Proposed Purchase of Marathon Oil Co. by Mobil Oil Corp** United States.
