THE EVOLUTION OF RELIGION Sulabh Jain,15-06-09 History has an unsettling effect on religion Like science history is fundamentally nothing more than a range of theories based on objective evidence Mythology becomes a byword for a traditions history and history in the objective sense that we understand it today becomes distorted Thus through time both myth and history blend into an entertaining story of the world around them and their role in that world Smarana Mekala S Rao, Lucifer ,1891 *Three Creators* Vikas Jain,2020-02-14 Three Creators Is the legend ancient mythology or a highly developed modern science Can a myth be so powerful that it can keep a great intellectual civilization under its effect for thousands of years And if a powerful myth makes such an impact then will it not be fair to take that myth as the Truth One such truth is about the Three Creators They are known to the whole world as the Creator Preserver and Destroyer 2500 AD E One Planet As a consequence of accidents that occurred during a huge scientific project called salvation the atmosphere of planet E One whose ancient name was Earth has become unviable Today human civilization is sustained on three planets namely E One M One and M Two The future of the human civilization depends on the success of salvation project The Chairman of salvation Project Sukra receives a message from an alien flying object from a remote part of space Sukra and the traveler in that intergalactic spacecraft meet each other for a historic talk at a place name Kash I Gyani Sukra and the intergalactic traveler whose name is Kalki seek to understand the three creators in detail for determining the future of human civilization They both want to understand the spiritual aspect of the myth in a scientific way and the scientific aspect of it in a spiritual way Is this the end of human civilization Will Sukra understand the mysteries of the three creators After all what is this puzzle of three

Dakshayni Dr. Aruna Mukim,2022-04-19 In this novel have tried to give a blend of mythology and the perineal values and emotions of the human beings The characters here have been chosen from the pauranik literature and yet feelings and reactions they express are germane to what we find in all human beings At the thematic level the central point of the novel presents the love between shiv and sati It is related to the protection of the divinity and spirituality in the universe It suggests the union between two forces Shiv and Shakti The essential elements in a cosmic planning If shiv is a great lover then Sati too is not wanting in longing for his love However as it is sati s father great Prajapathi Daksh the son of Brahma keeps an umbrage against shiv He abhors shiv and is openly

against the matrimonial alliance between his daughter sati and shiv From the very beginning sati knows that shiv is her eternal spouse But Prajapathi Daksh is bent upon destroying this relationship However by quirk of fate sati is married to shiv Not withstanding all resistance Daksh is compelled to give his daughter away to the person he dislikes most Shiv Deeply hurt Daksh is now looking for a chance to insult his son in law when he arranges a yagya and doesn t invite them Sati burns her out there in yog Agni have presented this so repeated story from a different angle The first person narration here has been used for the expansion of philosophy and thought that result in giving a contemporary canvas have visualised myself as Sati for exploring the in depth feelings and emotions of a woman The use of the montage technique has allowed me to pick up some stories from countless stories of shiv and sati and put them into an imaginative an unputdownable literary piece
