Private Glen thought he had seen all of the horrors that the Vietnam war could produce... The death of his entire platoon, his best friend, and a corrupt Major who allowed it all to happen by deserting his troops. But he was wrong... Private Glen runs into Mia, the sole survivor of her village. They find their way to safety and are parted. He next meets her after a confrontation with the corrupt Major Garrison. She has been forced into prostitution and heroin addiction by opium lords. Private Glen's mission: save Mia while escaping the hell man seeking the truth of Eden.
