Yoder,2009-08-01 Because God is light many Spirit filled Christians overlook the fact that believers go through times of dark spiritual battle Yet throughout the Bible and church history we see God bringing his light into the darkest places in order to transform them Pastor Barbara Yoder wants believers to know that God still breaks through today often in the darkest and seemingly most hopeless times Through

Careful study of Scripture and from the cutting edge of her own experience Yoder shows readers God's faithfulness during the darkest spiritual hours. Offering hope and purpose, Yoder shows believers how God uses those dark times of the soul to forge something new, something only darkness can shape and only God's light can expose. Readers will come away encouraged to see how often God waits until the final moments to bring forth victory for those obedient to His will.

Thomas Hobbes: Leviathan (Longman Library of Primary Sources in Philosophy) Thomas Hobbes, 2016-05-23 Part of the Longman Library of Primary Sources in Philosophy, this edition of Hobbes's *Leviathan* is framed by a pedagogical structure designed to make this important work of philosophy more accessible and meaningful for undergraduates. *Algerian Imprints* Brigitte Weltman-Aron, 2015-08-18 Born and raised in French Algeria, Assia Djebar and Hélène Cixous represent in their literary works signs of conflict and enmity, drawing on discordant histories so as to reappraise the political on the very basis of dissensus. In a rare comparison of these authors' writings, *Algerian Imprints* shows how Cixous and Djebar consistently reclaim for ethical and political purposes the demarcations and dislocations emphasized in their fictions. Their works affirm the chance for thinking afforded by marginalization and exclusion and delineate political ways of preserving a space for difference informed by expropriation and nonbelonging. Cixous's inquiry is steeped in her formative encounter with the grudging integration of the Jews in French Algeria, while Djebar's narratives concern the colonial separation of French and Arab self and other. Yet both authors elaborate strategies to address inequality and injustice without resorting to tropes of victimization, challenging and transforming the understanding of the history and legacy of colonized space. *The Politics of Humiliation in the Novels of J.M. Coetzee* Hania A. M. Nashef, 2009 In this volume, Nashef looks at J.M. Coetzee's concern with universal suffering and the inevitable humiliation of the human being as manifest in his novels. Though several theorists have referred to the theme of human degradation in Coetzee's work, no detailed study has been made of this area of concern, especially with respect to how pervasive it is across Coetzee's literary output to date. This study examines what J.M. Coetzee's novels portray as the circumstances that contribute to the humiliation of the individual, namely the abuse of language, master and slave, interplay, aging, and senseless waiting, and how these conditions can lead to the alienation and marginalization of the individual. *Getting Jesus Wrong* Matt Johnson, 2017-03-20 Jesus is not a life coach or a blessing dispenser, but we often treat him like he is. We get burned out on some caricature of Jesus, a caricature that often bears an uncanny resemblance to ourselves and become mired in anxiety, pride, or despair. *Getting Jesus Wrong* presents the biblical Christ and reassures disillusioned people that this. *Eyes Wide Open* Zhu GeLiSao, 2020-08-23 My big brother is working outside all year round and not only does sister-in-law Vanilla feed the children, she also wants to feed me. *Seeing Through the Eyes of Jesus* John Baggett, 2008-09-05 Rather than looking at Jesus, the popular conception of the historical Jesus, John Baggett contends that we should instead look with Jesus at the realities of God and neighbor as he perceived them. Baggett incorporates the witness of the key human relationships of Jesus, looking at why those earliest believers and friends

considered him divine Baggett then asks how Christ's transcendence can ultimately translate to significance for life and faith in today's story

In the Eyes of God Brian C Howell, 2014-07-31 Throughout the Bible divine interaction with humanity is portrayed in almost embarrassingly human terms God sees hears thinks feels runs rides chariots laughs wields weapons gives birth and even repents Many of these descriptions taken at face value seem to run afoul of classical thought about God's qualities of divine simplicity transcendence omniscience omnipotence omnipresence and especially immutability Traditionally such representations have been seen as accommodations to human intellectual and moral limitations They allowed God to be more comprehensible but did not actually describe any real part of His character being or interaction with humanity References to God seeing or hearing for example are not deemed to represent real acts as God is all knowing This view is largely based on the Aristotelian conception of metaphors they are rhetorical devices and should not be taken literally Since the 1970s our understanding of the ways in which metaphors convey meaning has become much more sophisticated We are better able to unlock the function of human acts of God within the Bible This book aims to explore the biblical metaphor of divine sight in Genesis and how current conceptions of metaphorical function can enrich our reading of the text and its theology
